Basically the Nissan Patrol is the last word when it comes to hardcore 4x4s. While other brands offer better all around packages, the Patrol is by far the best when it comes to tearing up the rough stuff. It's big, comfortable and spacious, but excels at what it does. If you're going into the wild, there's no better car to get you there.

A well-inspected Nissan Patrol will make a rugged and faithful companion. If armour plating a Labrador seems extreme, then a Patrol may well be the next best thing. It has a no-nonsense image and can be used for all the family oriented uses whilst having the ability to tackle muddy fields and minor Alps.

One of the last true off-roaders, the Nissan Patrol ploughs a lonely furrow in today's world of part time grass 'n' gravellers and SUVs. It is quite simply massive and will go practically anywhere. First seen in 1951, the Nissan Patrol has been crushing rocks and scaling mountains for over half a century.
