On The Day I Died

On the Day I Died: Stories from the Grave by Candace Fleming is a middle grade and young adult book scheduled for release on July 10 2012. I would recommend it for older children, around eleven through middle and high school students due to the ages of the protagonists and spooky nature. The frame of the story is one teenage boy's drive home.

On the Day I Died: Stories from the Grave by Candace Fleming

"On the Day I Die," by John Pavlovitz. On the day I die a lot will happen. A lot will change. The world will be busy. On the day I die, all the important appointments I made will be left unattended. The many plans I had yet to complete will remain forever undone. The calendar that ruled so many of my days will now be irrelevant to me.

The Day I Died: An Unforgettable Story of Life After Death ...

On the day I die, the few people who really know and truly love me will grieve deeply. They will feel a void. They will feel cheated. They will not feel ready. They will feel as though a part of them has died as well. And on that day, more than anything in the world they will want more time with me. I know this from those I love and grieve over.

Just Jack - The Day I Died - YouTube

I reread The Day I Died after telling a friend about this book. She asked me if we had a Living Will and specifically wondered about water being withheld - an item on the usual Living Will. In the book Sjogren says that Terry Schiavo "died a slow and painful death due to dehydration." He also tells of his own medical trials and says "of ...

The Day I Died: An Unforgettable Story of Life After Death ...

P.S The film "The Day I Died" is based on the works of Doctor's Raynond Moody and Elisabeth Kubler-Ross who's extensive work on the subject, life after death, over the last thirty five or so years have become well known to millions of people who read their books.
