The first Pike Logan novel from New York Times bestselling author Brad Taylor. They call it the Taskforce. Commissioned at the highest level of the U.S. government. Protected from the prying eyes of Congress and the media. Designed to operate outside the bounds of U.S. law. Trained to exist on the ragged edge of human capability. Pike Logan was the most successful operator on the Taskforce, his instincts and talents unrivaled—until personal tragedy permanently altered his outlook on the world. Pike knows what the rest of the country might not want to admit: The real threat isn't from any nation, any government, any terrorist group. The real threat is one or two men, controlled by ideology, operating independently, in possession of a powerful weapon. Buried in a stack of intercepted chatter is evidence of two such men. The transcripts are scheduled for analysis in three months. The attack is mere days away. It is their bad luck that they're about to cross paths with Pike Logan. Because Pike Logan has nothing left to lose.

Their existence is as essential as it is illegal. They call it the Taskforce. They operate outside of the law. Their organisation eradicates terrorists across the globe. But they've lost their best operator. Tragedy ruined Pike Logan. An attack is mere days away. Whether he's ready or not, the Taskforce are forced to put Logan back into action. But can a broken man still save the world? Perfect for fans of Lee Child, James Deegan and David Baldacci. Praise for Brad Taylor: 'It's an excellent read, and I greatly enjoyed it' Nelson DeMille. 'Pike ranks right up there with Jason Bourne, Jack Reacher and Jack Bauer' John Lescroart. 'Logan is a tough, appealing hero you're sure to root for' Joseph Finder. 'Fresh plot, great actions, and Taylor clearly knows what he is writing about' Vince Flynn.

A first entry in a debut series by a former Delta Force commander introduces the character of Pike Logan, a member of a covert intelligence operation who learns about an imminent catastrophic attack by two criminal ideologists. Reprint.

When the Taskforce uncovers an assassination plot against an American envoy, operator Pike Logan and his partner, Jennifer Cahill, follow an elusive trail through the Middle East that reveals a destructive secret.

The electrifying Pike Logan series continues as the Taskforce—a top secret team that exists outside the bounds of U.S. law—races to stop a terrorist hit.... A shadowy trail leads the Taskforce to Egypt—where an attack leaves one member dead and another barely alive. Veteran warrior Pike Logan and his young partner, Jennifer Cahill, are forced to helm the increasingly convoluted and dangerous mission: a mission that tests both Jennifer's ability to justify her actions, and Pike's tenuous ability to stay in control. Sifting their way through the opposing plots of two terrorist organizations will turn out to be the least of their problems when a weapon of unthinkable power touches American soil—the only country in which Taskforce members are forbidden to operate, and the only country that Pike Logan may be unable to save....

Pike Logan tracks highly-trained Russian assassins to Brazil in this blistering, action-packed thriller from New York Times bestselling author

and former Special Forces Officer Brad Taylor. "It's an excellent read, and I greatly enjoyed it." "Nelson DeMille Pike Logan and the Taskforce were once the apex predators, an unrivaled hunting machine that decimated those out to harm the United States, but they may have met their match. While Pike Logan and Jennifer Cahill prepare to join their team on a counter-terrorist mission in the triple frontier—the lawless tri-border region where Argentina, Brazil, and Paraguay meet—they are targeted in Charleston, South Carolina. A vicious explosion kills a friend, and the perpetrators have set it up to look like an accident. While the authorities believe this was not foul play, Pike knows the attack was meant for him. When he loses contact with the team in South America, Pike is convinced he and the Taskforce are under assault. His men are the closest thing to family that Pike has, which means he will do anything, even ignore direct orders to stand down, to find them. Pike and Jennifer head to Brazil to investigate their disappearance and run headlong into a crew of Russian assassins. Within days they are entangled in a byzantine scheme involving Brazilian politics and a cut-throat battle for control of offshore oil fields. Forged in combat, the Russians are the equal of anything the Taskforce has encountered before, but they make a mistake in attacking Pike's team, because Pike has a couple of elite Israeli assassins of his own. And Pike will stop at nothing to protect his family.

Taskforce operators Pike Logan and Jennifer Cahill race to stop a global pandemic in this fast-paced thriller in the New York Times bestselling series. Invented by nature and genetically manipulated by man, a highly lethal virus has just fallen into the wrong hands. Angered by sanctions placed against its nuclear program, a rogue state is determined to release the virus. The only thing standing in its way is the extralegal counterterrorist unit known as the Taskforce. But as they follow the trail of the virus across Southeast Asia to the United States, the Taskforce soon learns that the enemy they face may not be the enemy they should fear...

Taskforce operators Pike Logan and Jennifer Cahill are used to putting their lives at risk, but in this thrilling New York Times bestseller, one of their own family gets caught up in untold danger... As an investigative reporter working on the Mexican drug cartels, Jack Cahill has unknowingly gotten caught between two rival groups. His desperate call to his sister is his last before he's kidnapped. In their efforts to rescue Jack, Pike and Jennifer uncover a plot much more insidious than illegal drug trafficking—the cartel that put a target on Jack's back has discovered a GPS hack with the power to effectively debilitate the United States. With the GPS hack about to be exploited and Jack's life at stake, Jennifer and Pike must find a way to eliminate the impending threat. The price of failure, for both the Taskforce and the country, is higher than ever.

World war is on the horizon in New York Times bestselling author Brad Taylor's tenth heart-pounding Pike Logan thriller. The Taskforce has stopped countless terrorist threats across the globe, operating outside of US law to prevent the death of innocents. But now, along the fault lines of the old Iron Curtain, the danger is far greater than a single attack. With Russia expanding its influence from Syria to the Baltic States, the Taskforce is placed on stand-down because of the actions of one rogue operator. Meanwhile, Pike Logan and Jennifer Cahill travel to Poland, hired to verify artifacts hidden for decades in a fabled Nazi gold train, only to find themselves caught amid growing tensions between East and West. A Russian incursion into Belarus under the facade of self-defense is trumped by a horrific attack against the United States, driving NATO to mobilize even as it tries to determine who is behind the strike. On the brink of war, Pike and Jennifer discover that there is a separate agenda in play, one determined to force a showdown between NATO and Russia. With time running out, and America demanding vengeance, Pike and Jennifer race to unravel the mystery before a point of no return is reached. Unbeknownst to them, there is another attack on the way. One that will guarantee World War III.
