Pathology and the Postmodern: Mental Illness as Discourse

...

Pathology and the Postmodern: Mental Illness as Discourse and Experience. This book is a collection of essays about fitting the complexity of mental illness into the rhetoric of postmodernity. Here we find a chapter called "Performing Methods: History, Hysteria, and the New Science of Psychiatry," written by an assistant professor of sociology who "has published work on women, panic, and postmodernity, and on the technopoetics of Black-urban rap music" and "also experiments with multimedia ...
