So you think you've got a handle on therapeutic management? How drugs work and interact with each other, how the body handles them and how drug treatments are assessed? This self-assessment volume allows you to learn, revise and test yourself on all aspects of clinical pharmacology and therapeutics. Four different question types are provided to test your knowledge in this important area - multiple choice questions, extended matching questions, 'best of fives' and problem-solving questions. Detailed explanatory answers ensure this book solves your queries as well as providing essential revision for those all-important exams. Test your knowledge with Clinical Pharmacology and Therapeutics: Questions for Self Assessment and not only develop your exam technique but become a better prescriber.

Approached from the point of view of what you will need to know in order to understand the clinical work you will eventually be doing, this title includes a wide range of self-assessment material, suitable for testing your understanding, and helping you to prepare for your exams.

Surviving the journey through the Royal Australasian College of Physicians (RACP) examinations requires grit, courage and hard work. The second edition of *How To Pass the RACP Written and Clinical Exams* is fully updated to help candidates – and those who teach them – dig deep to maximise their chances of success. This insider's guide takes the candidate through the whole process, from preparing for the Written Exam, through to presenting short and long cases in the Clinical Exam. The authors' experiences are combined with tips from recent candidates, wisdom from RACP examiners and advice from specialist contributors. Additional chapters for post-exam registrars and supervisors include career planning, providing feedback, preparing for interviews, and organising the Clinical Exam. As well as comprehensive guidance for adult medicine candidates, this new edition includes 'Paeds Points' for paediatrics trainees. Containing a wealth of information, pearls of wisdom, real-life examples and practical advice, this light-hearted insider's guide makes the path through the grueling RACP exams far easier.

A high-quality, exam-focused resource to facilitate passage through ICU Fellowship examinations. This is the first publication to specifically meet the goals of an examination guide for ICM trainees.
