—Holly Goldberg Sloan, New York Times bestselling author of *Counting by 7s* Part mystery, part love story, and part coming-of-age tale in the vein of *Thirteen Reasons Why*, *The Perks of Being a Wallflower*, and *The Spectacular Now*, Michelle Falkoff’s debut is an honest and gut-wrenching novel about loss, rage, what it feels like to outgrow a friendship that’s always defined you—and the struggle to redefine yourself. There was a party. There was a fight. The next morning, Sam’s best friend, Hayden, was dead. And all he left Sam was a playlist of songs and a suicide note: For Sam—listen and you’ll understand.

To figure out what happened, Sam has to rely on the playlist and his own memory. But the more he listens, the more he realizes that his memory isn't as reliable as he thought. And it might only be by taking out his earbuds and opening his eyes to the people around him that he'll finally be able to piece together his best friend's story. And maybe have a chance to change his own. "An absorbing and sensitive read." —Bulletin of the Center for Children's Books "Falkoff lightens the substantial topics of grief, bullying, and suicide with Sam's engaging investigation." —ALA Booklist "Realistic and well-written. The strong characters, dialogue and the use of the playlist to structure the book make this a good pick for struggling readers." —School Library Journal "Falkoff treats a difficult topic with

"Voicy, heartfelt, hilarious, propulsive—this book is brilliant."—Christina Lauren, *New York Times* and *USA Today* bestselling author For fans of *Josie Silver* and *Emily Henry* comes a debut romcom about the life-changing magic of second chances. This charming and quirky debut has it all: childhood friends, love triangles, enemies-to-lovers, and a dash of *My Big Fat Greek Wedding*. Zoë Frixos gets the whole love song thing. Truly, she does. Zoë's been a bit off-beat in that department. After falling hard for her best friend, Simon, at thirteen and missing every chance to tell him how she felt before he left town, Zoë came to one grand conclusion: Love stinks. Twenty years later, Simon is returning to London, newly single and as charming as ever, and Zoë vows to take her second chance. But Zoë's got other problems now: In order to save her magazine from closure, she has to land the biggest interview of her career with a notoriously elusive rock idol. There's just one problem: Nick, the arrogant publicist who seems determined to stop the story and ruin Zoë's life. With her brother's big(ish) fat(ish) Greek wedding on the horizon, Zoë begins to wonder if her first love is the right love. In the wake of a life-changing choice, Zoë must decide if

A piercing, unflinching new volume offers necessary music for our tumultuous present, from “perhaps the best public poet we have” (Boston Globe). In her first volume of new poems in twelve years, Rita Dove investigates the vacillating moral compass guiding America’s, and the world’s, experiments in democracy. Whether depicting the first Jewish ghetto in sixteenth-century Venice or the contemporary efforts of Black Lives Matter, a girls’ night clubbing in the shadow of World War II or the doomed nobility of Muhammad Ali’s conscious objector stance, this extraordinary poet never fails to connect history’s grand exploits to the triumphs and tragedies of individual

lives. Meticulously orchestrated and musical in its forms, Playlist for the Apocalypse collects a dazzling array of voices: an elevator operator simmers with resentment, an octogenarian dances an exuberant mambo, a spring cricket philosophizes with mordant humor on hip hop, critics, and Valentine's Day. Calamity turns all too personal in the book's final section, "Little Book of Woe," which charts a journey from terror to hope as Dove learns to cope with debilitating chronic illness. At turns audaciously playful and grave, alternating poignant meditations on mortality and acerbic observations of injustice, Playlist for the Apocalypse takes us from the smallest moments of redemption to catastrophic failures of the human soul. Listen up, the poet says, speaking truth to power; what you'll

In February 2008, Bill Walton, after climbing to the top of every mountain he ever tried, suffered a catastrophic spinal collapse--the culmination of a lifetime of injuries--that left him in excruciating, debilitating, and unrelenting pain. Unable to walk, he underwent pioneering surgery and slowly recovered. The ordeal tested Walton to the fullest, but with extraordinary determination and sacrifice, he recovered. Now Bill Walton shares his life story in this remarkable memoir. Walton, the son of parents with no interest in athletics, played basketball in every spare moment. An outstanding player on a great high school team, he only wanted to play for John Wooden at UCLA--and Wooden wanted him.

Walton was deeply influenced by the culture of the 1960s, but he respected the thoughtful, rigorous Wooden, who seemed immune to the turmoil of the times. Other than his parents, Wooden would be the greatest influence in Walton's life--the two would speak nearly every day for 43 years until Wooden's death. Throughout a brilliant championship career, accumulating injuries would afflict Walton. He would lose almost two-thirds of his playing time to injury. After his playing days ended, Walton chose a career in broadcasting, despite being a lifelong stutterer--once again he overcame a physical limitation and eventually won multiple broadcasting accolades. Wooden once said that no greatness ever came without sacrifice--nothing better illustrates this notion than Walton's life.--Adapted from dust
