Pltw Biotechnical Engineering Final Exam Review

Project Lead The Way provides transformative learning experiences for PreK-12 students and teachers across the U.S. We create an engaging, hands-on classroom environment and empower students to develop in-demand knowledge and skills they need to thrive. We also provide teachers with the training, resources, and support they need to engage students in real-world learning.

Homepage | PLTW

PLTW students are better prepared for post-secondary studies and more likely to consider careers in critical STEM fields than their non-PLTW peers, research has shown. More than 100 colleges and universities are members of The PLTW College and University Partner Network that actively recruits PLTW students.
