BOOK REVIEW Dr. Sax by Jack Kerouac book review **Pomes All Sizes Jack Kerouac**

"Here in Pomes All Sizes you discover the contemplative Kerouac, musing on the quiet meaning of things or thinking of friends in other places, casting his thoughts into "little short lines" and stopping exactly where the first thought stopped. There is delight to be gained here, poetic delight and a fuller picture of the great Kerouac persona which has relentlessly been reduced over the years to the well-known caricature of the graceless drunken beatnik lout.

There is delight to be gained here, poetic delight and a fuller picture of the great Kerouac persona which has relentlessly been reduced over the years to the well-known caricature of the graceless drunken beatnik lout.

A treasury of mid-'50s road poems, intoxication poems, dharma verse, Canuck patois elegy, haikus, and blues.

Best known for his "Legend of Duluoz" novels, including *On the Road* and *The Dharma Bums*, Jack Kerouac is also an important poet. In these eight extended poems, Kerouac writes from the heart of experience in the music of language, employing the same instrumental blues form that he used to fullest effect in *Mexico City Blues*, his largely unheralded classic of postmodern literature. Edited by Kerouac himself, *Book of Blues* is an exuberant foray into language and consciousness, rich with imagery, propelled by rhythm, and based in a reverent attentiveness to the moment. "In my system, the form of blues choruses is limited by the small page of the breastpocket notebook in which they are written, like the form of a set number of bars in a jazz blues chorus, and so sometimes the word-meaning can carry from one chorus into another, or not, just like the phrase-meaning can carry harmonically from one chorus to the other, or not, in jazz, so that, in these blues as in jazz, the form is determined by time, and by the musicians spontaneous phrasing & harmonizing with the beat of time as it waves & waves on by in measured choruses." —Jack Kerouac

A selection of Jack Kerouac's poems, plus his statements on poetics and letters to an editor.

In 1952 and 1953 as he wandered around America, Jack Kerouac jotted down spontaneous prose poems, or "sketches" as he called them, on small notebooks that he kept in his shirt pockets. The poems recount his travels—New York, North Carolina, Lowell (Massachusetts, Kerouac's birthplace), San Francisco, Denver, Kansas, Mexico—observations, and meditations on art and life. The poems are often strung together so that over the course of several of them, a little story—or travelogue—appears, complete in itself. Published for the first time, *Book of Sketches* offers a luminous, intimate, and transcendental glimpse of one of the most original voices of the twentieth century at a key time in his literary and spiritual development.

Kerouac's most important poem, Mexico City Blues, incorporates all the elements of his theory of spontaneous composition. Memories, fantasies, dreams, and surrealistic free association are all lyrically combined in the loose format of the blues to create an original and moving epic. "I want to be considered a jazz poet blowing a long blues in an afternoon jam session on Sunday. I take 242 choruses; my ideas vary and sometimes roll from chorus to chorus or from halfway through a chorus to halfway into the next." "A spontaneous bop prosody and original classic literature." - Allen Ginsberg; "Kerouac calls himself a jazz poet. There is no doubt about his great sensitivity to language. His sentences frequently move into tempestuous sweeps and whorls and sometimes they have something of the rich music of Gerard Manley Hopkins or Dylan Thomas" - The New York Herald Tribune

Highlighting a lesser-known aspect of one of America's most influential authors, this new collection displays Jack Kerouac's interest in and mastery of haiku. Experimenting with this compact poetic genre throughout his career, Kerouac often included haiku in novels, correspondence, notebooks, journals, sketchbooks, and recordings. In this collection, Kerouac scholar Regina Weinreich supplements an incomplete draft of a haiku manuscript found in Kerouac's archives with a generous selection of Kerouac's other haiku, from both published and unpublished sources. With more than 500 poems, this is a must-have volume for Kerouac enthusiasts everywhere.

Jack Kerouac's classic novel about friendship, the search for meaning, and the allure of nature First published in 1958, a year after *On the Road* put the Beat Generation on the map, *The Dharma Bums* stands as one of Jack Kerouac's most powerful and influential novels. The story focuses on two ebullient young Americans--mountaineer, poet, and Zen Buddhist Japhy Ryder, and Ray Smith, a zestful, innocent writer--whose quest for Truth leads them on a heroic odyssey, from marathon parties and poetry jam sessions in San Francisco's Bohemia to solitude and mountain climbing in the High Sierras.

A sensory narrative poem capturing the rhythms of the universe and secrets of the subconscious with stunning linguistic dexterity from the author of *On the Road* A spontaneous writing project in the form of an extended prose poem, this sonorous and spiritually playful book is one of Jack Kerouac's most boldly experimental works. Collected from five notebooks dating from 1956 to 1959—a time in which Kerouac was immersed in Buddhist theory—*Old Angel Midnight* is comprised of sixty-seven short sections unified by an unwavering dedication to sounds, the subconscious, and verbal ingenuity. Friday Afternoon in the Universe, in all directions in & out you got your men women dogs children horses ponies tics perts parts pans pools palls pails parturientes and petty Thieveries that turn into heavenly Buddha. Thus begins Kerouac's Joycean language dance. From birdsong to dharmic verse, street jargon to French slang, the resonances of the universe come blaring in though the windows, unfurling their meaning as the mind lets go and listens.
