~~Lesson: Plot Structure: Problem & Solution~~

Part 1. Especially in the early days of teaching, figuring out what is going to be problematic for students is one of the more challenging elements of lesson planning. If we haven't had much exposure to students, we may feel like we are making wild guesses. In the first of two posts about potential problems and solutions, we're going to focus on the things you are normally asked to consider on the front sheet of your lesson plan – problems related to
