It provides economic protection for individuals, business owners and professionals from losses resulting from damage to or loss of property and from legal liability. There are a few types of insurance every business needs.

Property Casualty Insurance Guide | Department of ...

Definition of Payment for Insurance. A company's property insurance, liability insurance, business interruption insurance, etc. often covers a one-year period with the cost (insurance premiums) paid in advance. The one-year period for the insurance rarely coincides with the company's accounting year. Therefore, the insurance payments will likely involve more than one annual financial statement and many interim financial statements.
