Directly linked to Oxford's bestselling DP Psychology resources, this new Course Preparation resource thoroughly prepares students to meet the demands of IB Diploma Programme Psychology.Ideal for students who have studied non-IB courses at pre-16 level, the text introduces learners to the IB approach, terminology and skills.

Comprehensively updated to match the new DP Psychology syllabus, for first teaching September 2017, the second edition of this assessment-focused study tool presents all the key concepts covered at Standard and Higher Level, building learners' confidence and promoting long-term achievement in examinations. Key concepts are broken down into manageable segments as part of a concise, accessible format, reinforcing understanding and facilitating effective revision. Rigorous extension material provides opportunities for learners to be stretched, whilst clear, straightforward language and visual aids support EAL learners.

Comprehensively covering all the core and option units for the 2009 syllabus at SL and HL, this text provides unrivalled preparation for IB assessment and was uniquely developed with the IB. Integrating examination of ethical issues, research methods and more, it will spur the highest levels of critical thought and support top achievement.

Comprehensively updated for the latest syllabus, for first teaching September 2017, and developed directly with the IB, the second edition of this popular Psychology Course Book provides thorough coverage of all core and optional units at Standard and Higher Level, as well as assessment preparation support. Engaging, full-colour activities and in-depth, international case studies bring the theory to life, while structured opportunities for critical thinking and concept-based learning help to develop enquiring and independent learners. Clear and accessible language, a robust reference section, support for the Internal Assessment and TOK links ensure that all learners progress through the DP Psychology course with confidence.

This Psychology for the IB Diploma series is for examination from 2019. Delve into human behaviour by studying real cases in this coursebook for the IB Psychology syllabus. Through studies of famous psychologists, students learn about the diversity of human behaviour and the factors that influence our decisions. International case studies and concise definitions of important concepts make this an ideal resource for learners whose first language is not English. Exam-style questions at the end of every chapter help students prepare for assessment. The coursebook covers both Standard and Higher Level content and suggested answers to the coursebook questions are at the back of the book.
