The separate Workbook and Laboratory Manual from previous editions have been combined into one, two-volume WBLM. Both volumes have been significantly updated and carefully integrated with the textbook to offer additional practice with vocabulary, grammar, and culture, as well as pronunciation, listening comprehension, and video-based activities. (Vol. 1 covers Capítulos 1-9.)

The Workbook, by Alice. A Arana (formerly of Fullerton College) and Oswaldo Arana (formerly of California State University, Fullerton), continues the successful format of previous editions by providing additional practice with vocabulary and structures through a variety of input-based, controlled, and open-ended activities and guided compositions. Special features include the Prueba corta, preceded by a grammar self-check feature called A ver si sabe..., which allows students to quickly assess their knowledge of grammatical structures before completing the Punto final. The Perspectivas culturales (formerly Conozca...) section offers focused vocabulary and fact-based activities related to the same feature found in the student textbook.
