RAVEN is not only about love, but an exploration into the afterlife. Allison van Diepen goes above and beyond to bring readers into this dance world, but I trouble connect emotionally to love between Nic and Zin. I think the reason is this book isn't just a paranormal YA romance as I'd expected.

From the author of Street Pharm and Snitch comes an acclaimed urban fantasy that tests the limits of love and immortality. Zin dances with fire in every step, speaks with a honey-sweet voice, and sees with eyes that can peer into your soul. Nicole's friendship with him is the only thing that saves her from the boredom of school and the turmoil of her family life. It's no wonder why Nicole is madly in love with him. But she can't understand why he keeps her at a distance, even though she can feel his soul reaching out for hers. Zin is like no man Nicole has ever met, and he carries with him a very old secret. When Nicole uncovers the truth, her love may be the only thing that can save him from it...

A teen infiltrates a drug ring to settle a vendetta in this fast-paced novel from the author of *Street Pharm* and *Snitch*. Darren took the fall for Diamond Tony, the notorious head of the city's drug cartel. Two years later, Darren's finally out of juvie—and determined to get even. Working as an informant for the police, Darren infiltrates Diamond Tony's operation. But falling for sweet, innocent Jessica was not part of that plan. She's a distraction—and a liability. She's also everything Darren dreamed about while he was locked up, and with her, he has the promise of a fresh start. When a deadly turf war breaks out between Diamond Tony and the Bloods, Darren gets caught in the crossfire. The cops think he's playing both sides, and any mistake could be his last. Darren has to stay on his game if he's going to protect Jessica—and if he's going to stay alive.

What if the characters in a vampire novel left their world - and came into yours? Amy is in love with someone who doesn't exist: Alexander Banks, the dashing hero in a popular series of vampire novels. Then one night, Amy meets a boy who bears an eerie resemblance to Alexander. In fact, he is Alexander, who has escaped from the pages of the book and is in hot pursuit of a wicked vampire named Vigo. Together, Amy and Alexander set out to track Vigo and learn how and why Alexander crossed over. But when she and Alexander begin to fall for each other, Amy wonders if she even wants him to ever return to the realm of fiction.

The basis for the upcoming HBO miniseries and the "definitive account of the Jonestown massacre" (Rolling Stone) -- now available for the first time in paperback. Tim Reiterman's *Raven* provides the seminal history of the Rev. Jim Jones, the Peoples Temple, and the murderous ordeal at Jonestown in 1978. This PEN Award-winning work explores the ideals-gone-wrong, the intrigue, and the grim realities behind the Peoples Temple and its implosion in the jungle of South America. Reiterman's reportage clarifies enduring misperceptions of the character and motives of Jim Jones, the reasons why people followed him, and the important truth that many of those who perished at Jonestown were victims of mass murder rather than suicide. From Allison van Diepen, author of *Light of Day*, *Snitch*, and *Street Pharm*, comes a sexy, dangerous novel—perfect for fans of Simone Elkeles and Paul Griffin—about a teen who witnesses a murder and gets caught up in the seedy world of Miami's gangs. Maddie Diaz never should have taken that shortcut through the park. If she hadn't, she wouldn't have seen two members of the Reyes gang attacking a homeless man. Now, as the only witness, she knows there's a target on her back. But when the Reyes jump her on the street, Maddie is protected by a second gang and their secretive leader, Lobo, who is determined to take down the Reyes himself. Lobo is

mysterious and passionate, and Maddie begins to fall for him. But when they live this close to the edge, can their love survive?

Growing up in the heart of the Atlanta ghetto, siblings DeMarco and Jasmine Winslow have developed a talent for survival. But if given the chance, they would do anything for a fresh start. . . . By the time DeMarco was fifteen, being locked up was better than being at home. So whenever he got hungry or cold or just plain tired of living in the ghetto, he'd steal something and make sure he got caught, 'cause going to juvie was like going to heaven: video games, basketball courts, a big screen television, and three hot meals a day. And now that he's back in the hood, things seem worse than before. Jasmine, DeMarco's twin sister, hasn't had the luxury of vacationing in juvie. She's had to balance being an honor roll student with fighting off advances from her mother's boyfriend. After her mom sides with her boyfriend, Jasmine's out on the streets and running with the DIVAs, a rough group of girls whose number one goal is to get paid. But when Jasmine finally gets her chance to break free, she learns the hard way that no one leaves the hood unscathed. . . . Also Available TWO THE HARD WAY AT THE CROSSROADS [show covers]
