This reader contains some of the most notable and instructive scriptures of the major Asian religions: Hinduism, Buddhism, Jainism, Sikhism, Confucianism, Taoism, Shinto, and Zoroastrianism. It is a comprehensive and pedagogically sound presentation of the sacred literature of the Asia. A clear and consistent organization makes the text easy-to-use and understand. The first chapter examines the general phenomenon of scripture in the world's religions, its nature, use, and place in modern scholarship. Chapter 1 also introduces the reader to the art of reading scripture with practical suggestions, a pronunciation guide for foreign words, and other pedagogical aids. Each subsequent chapter presents the scripture of a single religion. Three or four vignettes about scripture and its usage open the chapter to draw the reader's interest and imagination. Then an introduction sets the context by explaining the overall structure, origin, development, and use of the scripture in its religion.

Presents evidence and information, aside from the Christian scriptures, on the life and teaching of Jesus Christ. Features excerpts in Roman correspondence and the early Christian writings known as the "New Testament Apocrypha".

Being able to understand someone else's religious beliefs is crucial. READING THE NEW TESTAMENT takes the mystery out by introducing you to the five schools of interpretation and what they all mean. And because this introduction to the New Testament textbook is designed to launch conversations with your classmates, READING THE NEW TESTAMENT helps make class interesting. Plus, it's got links to Internet sites that help you get all the information you'll need to ace the test.

An inside view of how the scriptures of world religions illuminate the lives and experience of their devotees.

Do you believe that God wants you to be financially prosperous (Joshua 1:8)? Do you think that Christians must "forgive and forget" (Jeremiah 31:34)? Do you suppose that everything will work for your good (Romans 8:28), or wonder if God will ever give you more than you can bear (1 Corinthians 10:13)? If you do, best-selling author Robert Van Voorst will help you to reexamine these verses, and many others, to see what they really mean. This book treats twenty-four of the most misunderstood verses in the Bible. Each is given concise but careful treatment, including an explanation of how they are misunderstood, what their meaning is, and what this meaning says to us today. Each chapter has questions for reflection and discussion. Written especially for use in church classes and Bible study groups, but also suitable for individual reading, this book will stimulate your growth in the Christian faith and give you more confidence in understanding the Bible and applying it to your life.
