Overview. The VC Valiant was longer and lower than any previous Australian Valiant model, but was essentially a facelift of the superseded AP6 model, with Chrysler Australia photographs of early VC's showing them bearing the model designation AP7. It featured a new grille, front bumper, bonnet and front mudguards. Sedans had new rear styling with vertical taillights.

The Chrysler VE Valiant is an automobile that was produced in Australia by Chrysler Australia from 1967 to 1969. It was released in October 1967, replacing the Chrysler VC Valiant. The premium model in the range was renamed Valiant VIP due to the V8 engine becoming an option across the entire range.
