Revolution and War in Spain, 1931-1939: Amazon.co.uk ...

1936-1939: The Spanish civil war and revolution. A short history of the Spanish civil war and revolution which broke out in response to the right-wing and fascist coup attempt of General Franco. The war lasted for three years and ended with Franco's victory, aided by fascist Italy and Nazi Germany. The revolution saw huge swathes of Spanish industry and agriculture socialised and run collectively by the workers and peasants.

1936-1939: The Spanish civil war and revolution

The back cover says it all: "The Revolution and the Civil War in Spain' is a classic, indispensable account of one of the twentieth century's most decisive political conflicts." The Spanish Civil War is perhaps one of the most historiographically intense and contested periods of history.

REVOLUTION AND CIVIL WAR IN SPAIN, THE: Amazon.co.uk ...

The Revolution and the Civil War in Spain remains one of the most cogent histories of events in Spain between 1936 and 1939. In the first part of the book the great Marxist historian Pierre Broué deals with the social revolution and political evolution of the Republican zone. At the time the book was originally published in French in 1961 most histories barely mentioned the social revolution that swept half of Spain in 1936.

Revolution and war in Spain in 1936 - a battle that could ...

An account of the Spanish Revolution and the Civil War mostly from the radical left perspective of the Republican side: anarcho-syndicalists, socialists, communists. It treats the liberals, and fascists only insofar as to make the events comprehensible to the reader.

The Revolution And The Civil War In Spain by Pierre Broué

The Spanish Revolution was a workers' social revolution that began during the outbreak of the Spanish Civil War in 1936 and resulted in the widespread implementation of anarchist and more broadly libertarian socialist organizational principles throughout various portions of the country for two to three years, primarily Catalonia, Aragon, Andalusia, and parts of the Valencian Community.

Spanish Revolution of 1936 - Wikipedia

Spain's involvement in the American Revolutionary War was widely regarded as a successful one. The Spanish took a gamble in entering the war, banking on Great Britain's vulnerability caused by the effort of fighting their rebellious colonists in North America while also conducting a global war on many fronts against a coalition of major powers. This helped Spain gain some relatively easy conquests.

Spain and the American Revolutionary War - Wikipedia

Spanish Civil War, (1936–39), military revolt against the Republican government of Spain, supported by conservative elements within the country. When an initial military coup failed to win control of the entire country, a bloody civil war ensued, fought with great ferocity on both sides.

Spanish Civil War | Definition, Causes, Summary, & Facts ...

War and revolution against Napoleon's occupation led to the Spanish Constitution of 1812, promulgated by the Cortes of Cádiz, later a cornerstone of European liberalism. The burden of war destroyed the social and economic fabric of Portugal and Spain, and ushered in an era of social turbulence, increased political instability, and economic stagnation.

Revolution and War in Spain, 1931-1939 eBook by ...

By 10 July, Spain also decided to make peace, recognizing the revolutionary government and ceding the territory of Santo Domingo, but returning to the pre-war borders in Europe. This left the armies on the Pyrenees free to march east and reinforce the armies on the Alps , and the combined army overran Piedmont .

This collection of essays constitutes a magnificent monument to recent scholarship on the Second Republic and the Civil War. It is indispensable for a full understanding of the period.' - Raymond Carr

An outstanding history that shows how a promising workers' movement ended in a fascist victory. What emerges most clearly in this detailed and long out of print history, is how the popular front held back radical measures that would have galvanised the working class and peasant base of the revolution, and decisively weakened Franco's forces. Author Pierre Broue way for many years a professor of contemporary history at the Institut d'Etudes politiques in Grenoble, and was a world-renowned specialist on the Communist and international workers' movements.

This book analyses the processes of revolution and state reconstruction that took place in the Republican zone during the Spanish civil war. It focuses on the radical anarchists who sought to advance the revolutionary agenda. Their activity came into conflict with the leaders of the libertarian organisations committed to the reconstruction of the Republican state following its near collapse in July 1936. This process implied participation not only in the organs of governance but also in the ideological reconstitution of the Republic as a patriarchal and national entity. Using original sources, the book shows that the opposition to this process was both broader and more ideologically consistent than has hitherto been assumed, and that, in spite of its heterogeneity, it united around a common revolutionary programme. This resistance to state reconstruction was informed by the essential insight of anarchism: that the function and purpose of the modern state cannot be transformed from within. By situating the struggles of the radical anarchists within the contested process of state reconstruction, the book affirms the continued relevance of this insight to the study of the Spanish revolution.

Documents the Spanish Civil War of 1936 and the contributions of some 3,000 Americans who took up arms against the dictatorship of Francisco Franco, discussing such topics as the Depression-era attempted social revolution in Spain and the influence on the Spanish Civil War on World War II. Reprint.

Between 1936 and 1939, the Spanish Civil War showcased anarchism to the world. News of the revolution in Spain energised a moribund international anarchist movement, and activists from across the globe flocked to Spain to fight against fascism and build the revolution behind the front lines. Those that stayed at home set up groups and newspapers to send money, weapons and solidarity to their Spanish comrades. This book charts this little-known phenomenon through a transnational case study of anarchists from Britain, Ireland and the United States, using a thematic approach to place their efforts in the wider context of the civil war, the anarchist movement and the international left.

Indhold: Omarbejdet og stærkt udvidet udgave af forfatterens bog fra 1961 "The Grand Camouflage" om modsætninger mellem venstre og højre i Spanien før borgerkrigen 1936

Felix Morrow's book, written in the white heat of the struggle, remains a Marxist classic on the Spanish Civil war. It is one of the clearest accounts produced of the movement of the Spanish masses, describing the events in Catalonia and the role of all those involved. This book contains the text of Revolution and counter-revolution together with the earlier Civil war in Spain and Ted Grant's 1973 article which provides an overview of the Spanish revolution. This book provides an excellent companion to the writings of Leon Trotsky on this question and deserves to be studied by all class-conscious activists.

Homage to Catalonia is George Orwell's account of the Spanish Civil War. It was the last and most mature of Orwell's documentary books.

The definitive work on the Spanish Civil War, a classic of modern historical scholarship and a masterful narrative.

Although Spain was never a formal ally of the United States during the American Revolution, its entry into the war definitively tipped the balance against Britain. Led by Bernardo de Galvez, supreme commander of the Spanish forces in North America, their military campaigns against British settlements on the Mississippi River—and later against Mobile and Pensacola—were crucial in preventing Britain from concentrating all its North American military and naval forces on the fight against George Washington's Continental army. In this first comprehensive biography of Galvez (1746@–86), Gonzalo M. Quintero Saravia assesses the commander's considerable historical impact and expands our understanding of Spain's contribution to the war. A man of both empire and the Enlightenment, as viceroy of New Spain (1785@–86), Galvez was also pivotal in the design and implementation of Spanish colonial reforms, which included the reorganization of Spain's Northern Frontier that brought peace to the region for the duration of the Spanish presence in North America. Extensively researched through Spanish, Mexican, and U.S. archives, Quintero Saravia's portrait of Galvez reveals him as central to the histories of the Revolution and late eighteenth-century America and offers a reinterpretation of the international factors involved in the American War for Independence.
