 Ring of Red is an alternate history turn-based strategy video game released by Konami for the PlayStation 2 console. It was one of the first PlayStation 2 games made with CD-ROM-based technology. Ring of Red was released in 2000 for Japan followed by North America and Europe in 2001. An emulated version for the PlayStation 3 was released as a PS2 Classic on October 4, 2011 in North America. The game is based on an alternate history theory that after the defeat of Nazi Germany and Fascist Italy n

Ring of Red - Wikipedia
 This is an event for bikers on Remembrance Sunday every year. The next RING OF RED M25 is on Sunday 8th November 2020. The aim is to form a circle of bikers dressed in red riding CLOCKWISE around the M25, all the bikers, making up the biggest Poppy in the World. The rides are intended to present a physical show of support for our Armed Forces, both current and previous.

Kingdom Hearts II begins where Kingdom Hearts: Chain of Memories and Kingdom Hearts 358/2 Days leave off. Sora and his companions have been asleep for about a year, regaining their memories. When Sora awakens, he eventually arrives in Twilight Town, the place where a mysterious boy, Roxas, lived before he suddenly left. Gaining new clothes and powers, Sora began his journey anew, unaware of the events that have taken place in Chain of Memories. Sora continues his quest by unlocking paths to new worlds, learning of Nobodies and fighting the Heartless, as well as facing the remaining members of the mysterious Organization XIII. As the game progresses, Sora learns about Roxas and how much they have in common. Birth By Sleep is the origins of the series' hero and villain, Sora and Kheanort, and delves deep into the mysteries of Kheanort's bleak past and forgotten memories as well as how Sora and Riku came to wield the Keyblade in the first place. It deals with three Keyblade Weilders: Terra, Aqua and Ventus and each character has their own scenario. Kingdom Hearts II and Birth by Sleep will take you to many places and we have them all covered here. Inside you will find: - Complete walkthrough coverage for both Kingdom Hearts 2 and Birth By Sleep. - Side quests covered in detail from Absent Silhouettes to Atlantica. - Gummi ship missions and details. - Mirage Arena covered extensively. - Mini-games discussed and much, much more.

A reference and instruction guide to the mechanics of working the land. The Ultimate Guide to Farm Mechanics combines three classic farming texts for the first time, compiling knowledge from the best sources published as far back as 1884. A comprehensive reference book that belongs in any farming household today, it offers an array of farm knowledge for both experts and amateurs alike. The book is divided into three parts: the first covers general skills such as woodworking and blacksmithing, the second is dedicated to farm engines and how to run them, and the third teaches readers how to construct classic labor-saving devices such as an effective milking stool, plowing gear for a kicking mule, and a nest for egg-eating hens. Readers are taught to mend broken tools, make fertilizer and corn fodder, buy engine parts, and manage gasoline engines safely and economically. Filled with intricate illustrations, photos, and diagrams, Ultimate Guide to Farm Mechanics offers a wealth of knowledge still indispensable to the modern-day farmer. Both the casual and amateur reader will learn valuable lessons from the old teachers of early twentieth-century farming in the United States.
