Runemarks (Runemarks, #1) by Joanne Harris

For most readers Harris should be familiar because of her novel Chocolat, made into a moving starring the yummy Johnny Depp. I admit that part of the reason I picked up Runemarks was half because it was an interesting sounding fantasy based around Norse Mythology and half because it was written by the author of a movie I love.

Runemarks is a 2007 children's fantasy novel by Joanne Harris. The book was published on 2 August 2007 by Doubleday Publishing and is set in a world where the Norse gods still survive as outlaws, their powers diminished, while a new and more powerful religion, the Order, tries to wipe out magic from the world.

Runemarks - Wikipedia

Harris's great skill lies in pulling back every time her creation veers towards the portentous, that is to say the Tolkienesque So Runemarks has a narrative nonchalance which just about evens out its ponderous infrastructure.

Harris' writing style focuses on the senses, mainly smell and taste. She uses the pen name Joanne M Harris to publish her "Loki" series and "Runemarks" series. Her novel "Chocolat" was adapted in the year 2000 into a movie that starred Juliette Binoche and Johnny Depp.

Joanne M Harris - Book Series In Order

In Runemarks , you'll see that I have used a slightly different version of the futhark we know best, with only 16 runes at the start. This is partly because for plot reasons I needed to add extra runes as the story developed. Historically, however, the opposite happened, and in some places some runes were dropped from use.

Runemarks: Using Runes | Joanne Harris

Where does Runemarks rank among all the audiobooks you’ve listened to so far? Meet Maddy, a girl who does not fit into the way of life in her village, she thinks too much and dreams. Dreams are forbidden as is the use of magic for it is the power of chaos. ... Joanne Harris is incredible how she weaves words to create such vivid pictures.

Runemarks by Joanne M. Harris | Audiobook | Audible.com

The Loki in Runemarks is very sympathetic, and it made me think of him more as a person who is trapped in a place he doesn't want to be, where he can't ever win and he has to look out for himself because no-one else will. I think he even says somewhere in the book that the gods are happy to use his talents when it suits them, but then sweep him ...

Dreams are forbidden as is the use of magic for it is the power of chaos. ... Joanne Harris is incredible how she weaves words to create such vivid pictures.

Seven o'clock on a Monday morning, five hundred years after the end of the world, and goblins had been at the cellar again. . . . Not that anyone would admit it was goblins. In Maddy Smith's world, order rules. Chaos, old gods, fairies, goblins, magic, glammers—all of these were supposedly vanquished centuries ago. But Maddy knows that a small bit of magic has survived. The “ruinmark” she was born with on her palm proves it—and makes the other villagers fearful that she is a witch (though helpful in dealing with the goblins-in-the-cellar problem). But the mysterious traveler One-Eye sees Maddy’s mark not as a defect, but as a destiny. And Maddy will need every scrap of forbidden magic One-Eye can teach her if she is to survive that destiny.

Maddy Smith, who bears the mysterious mark of a rune on her hand, learns that she is destined to join the gods of Norse mythology and play a role in the fate of the world.

Seven o'clock, on a Monday morning, five hundred years after the end of the world, and goblins had been at the cellar again... Maddy Smith was born with a rusty-coloured runemark on her hand - a symbol of the old gods and definitely cause for suspicion. For magic is dangerous. Or so everyone thinks. But Maddy enjoys working magic. Even if it is just to control some pesky goblins. And every time her friend, One-Eye - a good-for-nowt Outlander - comes by, he teaches her more and more about the gods and the runes. Now he wants Maddy to open Red Horse Hill and descend into World Below to retrieve a relic of the old gods. Otherwise it is likely to be the End of Everything. Again . . . An epic romp into the heart of the old Norse tales: wild, dangerous, richly inventive and superbly imaginative.

The squabbling Norse gods and goddesses of Runemarks are back! And there's a feisty new heroine on the scene: Maggie, a girl the same age as Maddy but brought up a world apart - literally, in World's End, the focus of the Order in which Maddy was raised. Now the Order is destroyed, Chaos is filling the vacuum left behind... and is breaching the everyday world. A chilling prophecy from the Oracle. A conflict between two girls. And with just twelve days to stave off the Apocalypse, carnage is about to be unleashed . . .

In the sequel to The Gospel of Loki, Loki's adventures continue when he finds a way out of the end of the world and plans to restart the power of the Norse gods. The end of the world—also known as Ragnarok to the Norse gods—has occurred, and Loki has been trapped in a seemingly endless purgatory, in torture, until he finds a way to escape. It seems that he still exists in the minds of humanity and uses that as a way to our time. Back in the ninth world (Earth), Loki finds himself sharing the mind of a teenage girl named Jumps, who is a bit of a mess. She's also not happy about Loki sneaking his way into her mind since she was originally calling on Thor. Worse, her friends have also been co-opted by the gods: Odin, Jump's one-eyed best friend in a wheelchair, and Freya, the pretty one. Thor escapes the netherworld as well and shares the mind of a dog, and he finds that it suits him. Odin has a plan to bring back the Norse gods ascendancy, but Loki has his own ideas on how things can go—and nothing goes according to plan.

Seven o'clock, on a Monday morning, five hundred years after the end of the world, and goblins had been at the cellar again... Maddy Smith was born with a rusty-coloured runemark on her hand - a symbol of the old gods and definitely cause for suspicion. For magic is dangerous. Or so everyone thinks. An epic romp into the heart of the old Norse tales: wild, dangerous, richly inventive and superbly imaginative.

“A surprise from the author of Chocolat,” New York Times bestselling author Joanne M. Harris, “this pacy adult fantasy is narrated by Loki, the Norse god of fire and mischief” (Vogue). This novel is a brilliant first-person narrative of the rise and fall of the Norse gods—retold from the point of view of the world’s ultimate trickster, Loki. A #1 bestseller in the UK, The Gospel of Loki tells the story of Loki’s recruitment from the underworld of Chaos, his many exploits on behalf of his one-eyed master, Odin, through to his eventual betrayal of the gods and the fall of Asgard itself. Using her lifelong passion for the Norse myths, New York Times bestseller Joanne M. Harris has created a vibrant and powerful fantasy novel that the Sunday Sun recommends “to her long-standing audience with wit, style, and obvious enjoyment;” The Sunday Times claims it “lively and fun;” and The Metro adds that “Harris has enormous fun with her anthero...this mythical bad boy should beguile fans of Neil Gaiman.”

When the exotic stranger Vianne Rocher arrives in the old French village of Lansquenet and opens a chocolate boutique called “La Celeste Praline” directly across the square from the church, Father Reynaud identifies her as a serious danger to his flock. It is the beginning of Lent: the traditional season of self-denial. The priest says she’ll be out of business by Easter. To make matters worse, Vianne does not go to church and has a penchant for superstition. Like her mother, she can read Tarot cards. But she begins to win over customers with her smiles, her intuition for everyone’s favourites, and her delightful confections. Her shop provides a place, too, for secrets to be whispered, grievances aired. She begins to shake up the rigid morality of the community. Vianne’s plans for an Easter Chocolate Festival divide the whole community. Can the solemnity of the Church compare with the pagan passion of a chocolate éclair? For the first time, here is a novel in which chocolate enjoys its true importance, emerging as an agent of transformation. Rich, clever, and mischievous, reminiscent of a folk tale or fable, this is a triumphant read with a memorable character at its heart. Says Harris: “You might see [Vianne] as an archetype or a mythical figure. I prefer to see her as the lone gunslinger who blows into the town, has a showdown with the man in the black hat, then moves on relentlessly. But on another level she is a perfectly real person with real insecurities and a very human desire for love and acceptance. Her qualities too - kindness, love, tolerance - are very human.” Vianne and her young daughter Anouk, come into town on Shrove Tuesday. “Carnivals make us uneasy,” says Harris. “because of what they represent: the residual memory of blood sacrifice (it is after all from the word “carne” that the term arises), of pagan celebration. And they represent a loss of inhibition: carnival time is a time at which almost anything is possible.” The book became an international best-seller, and was optioned to film quickly. The Oscar-nominated movie, with its star-studded cast including Juliette Binoche (The English Patient) and Judi Dench (Shakespeare in Love), was directed by Lasse Hallstrom, whose previous film The Cider House Rules (based on a John Irving novel) also looks at issues of community and moral standards, though in a less lighthearted vein. The idea for the book came from a comment her husband made one day while he was immersed in a football game on TV. “It was a throwaway comment, designed to annoy and it did. It was along the lines of...Chocolate is to women what football is to men...” The idea stuck, and Harris began thinking that “people have these conflicting feelings about chocolate, and that a lot of people who have very little else in common relate to chocolate in more or less the same kind of way. It became a kind of challenge to see exactly how much of a story I could get which was uniquely centred around chocolate.” Rich with metaphor and gorgeous writing...sit back and gorge yourself on Chocolat.

Your favourite authors have been gripped by this electric psychological thriller! 'A dark world of emotional complexity and betrayal, where twist follows twist and nothing is what it seems' ALEX MICHAELIDES 'Exhilarating, addictive, fierce' BRIDGET COLLINS 'A psychological thriller you can't put down and an antiheroine you won't forget' HARLAN COBEN 'Dark, Gothic, and propulsively readable - past secrets and present discoveries entangle in an intricately crafted conclusion' RUTH WARE 'Engrossing, cunning, sharp, sinister . . . kept me enthralled till the final pages' CHRIS WHITAKER 'A clever chess game of repressed fears, power struggles, secrets and lies' LUCY ATKINS 'A complex, chilling mystery full of shifting truths and dark corners where the unburied past lies in wait' TAMMY COHEN 'A dark and richly enjoyable novel that already feels like a classic' ELLY GRIFFITHS 'Irresistibly readable, dark and brilliant with a masterful emotional punch' CATRIONA WARD * * * * * Now I'm in charge, the gates are my gates. The rules are my rules. It's an incendiary moment for St Oswald's school. For the first time in its history, a headmistress is in power, the gates opening to girls. Rebecca Buckfast has spilled blood to reach this position. Barely forty, she is just starting to reap the harvest of her ambition. As the new regime takes on the old guard, the ground shifts. And with it, the remains of a body are discovered. But Rebecca is here to make her mark. She'll bury the past so deep it will evade even her own memory, just like she has done before. After all... You can't keep a good woman down. * * * * * Praise for Joanne Harris's other books set in the St Oswald's world - which all read as standalone thrillers: 'A masterpiece of misdirection' Val McDermid 'Delivers an almighty twist . . . brilliantly atmospheric' The Times 'Crime novel or literary novel? Categories really don't matter; readers will find themselves comprehensively gripped' Independent '[A] gripping psychological thriller . . . Harris is one of our most accomplished novelists' Daily Express 'Marvellously mischievous' Good Housekeeping 'A classic whodunit with the characters carefully crafted and the tension at a knife edge' Sunday Express '[A] delicious black comedy' Daily Mail

Stories are like Russian dolls; open them up, and in each one you'll find another story. Come to the house where it is Christmas all year round; meet the ghost who lives on a Twitter timeline; be spooked by a newborn baby created with sugar, spice and lashings of cake. Conjured from a wickedly imaginative pen, here is a new collection of short stories that showcases Joanne Harris's exceptional talent as a teller of tales, a spinner of yarns. Sensuous, mischievous, uproarious and wry, here are tales that combine the everyday with the unexpected; wild fantasy with bittersweet reality.
