Offers advice to Latino students considering a university or community college, including tips on choosing a college, strategies for academic success, social life on campus, living with roommates, managing one's time, money management, and preparing for life after college.

An illustrated guide to some of the most classic cocktails.

An introduction to linear time playing. The first section contains basic exercises for linear playing skills: voice coordination, dynamic balance, accenting, and more. The second section deals with the development of time feels in the linear style, including 4/4, half-time, shuffle, and odd meter feels.

This monograph provides a wide range of innovative approaches of virtual education with a special emphasis on inter-disciplinary approaches. The book covers a wide range of important issues on the subject of "Innovations in Knowledge-Based Virtual Education ", aiming at researchers and practitioners from academia, industry, and government. The carefully selected contributions report on research, development and real-world experiences of virtual education such as intelligent virtual teaching, web-based adaptive learning systems, intelligent agents or using multiagent intelligence. TOC:Just-in-Time Approach to Learning: Arguing the Case for Cost-Effective Knowledge Dissemination.- P-Dinamet: A Web-Based Adaptive Learning System to Assist Learners and Teachers.- Intelligent Agents that Learn to Deliver Online Materials to Students Better: Agent Design, Simulation and Assumptions.- Intelligent Web-Based Computer-Supported Collaborative Learning.- Using Multiagent Intelligence to Support Synchronous and Asynchronous Learning.- Intelligent Agents to Improve Adaptivity in A Web-Based Learning Environment.- Intelligent Virtual Teaching.- Developing a User Centered Model for Creating a Virtual Learning Portfolio.- A Didactics Aware Approach to Knowledge Transfer in Web-based Education

Three young people in seventeenth-century England maintain their close friendship despite their political and religious differences, the tragedy of the Great Plague, and the two boys' rivalry for the girl's love.

The Dolan Girls by S. R. Mallery has it all. Set in Nebraska during the 1800s, whorehouse madams, ladies of the night, a schoolmarm, a Pinkerton detective, a Shakespeare-quoting old coot, brutal outlaws, and a horse-wrangler fill out the cast of characters. Added to the mix are colorful descriptions of an 1856 land rush, Buffalo Bill and his Wild West Show, Annie Oakley, bank/train robberies, small town local politics, and of course, romance. Two, in fact!

All of the known writings of John Wilkes Booth are included in this collection. Of this wealth of material, the most important item is a previously unpublished twenty-page manuscript discovered at the Players Club in Manhattan. Written by Booth in 1860 in a form similar to Mark Antony's funeral oration in Julius Caesar, it makes clear that his hatred for Lincoln was formed early and was deeply rooted in his pro-slavery and pro-Southern ideology. Also included in the nearly seventy documents are six love letters to a seventeen-year-old Boston girl, Isabel Sumner, written during the summer of 1864, when Booth was conspiring against Lincoln; several explicit statements of Booth's political convictions; and the diary he kept during his futile twelve-day flight after the assassination. The documents show that Booth, although opinionated and impulsive, was not an isolated madman. Rather, he was a highly successful actor and ladies' man who also was a Confederate agent. Along with many others, he believed that Lincoln was a tyrant whose policies threatened civil liberties. --From publisher's description.

Few political figures of the twentieth century have aroused as much passion, controversy, and curiosity as Leon Trotsky. His role in history—his epic rise and fall, his fiery persona, his violent end in Mexico in August 1940—holds a fascination that transcends the history of the Russian Revolution. Bertrand M. Patenaude masterfully interweaves the story of Trotsky's final years with flashbacks to pivotal episodes in his career as a young Marxist, revolutionary hero, Red Army chief, Bolshevik leader, outcast from Stalin's USSR, and ultimately heretic of the Kremlin, targeted for assassination by its secret police. Gripping, tragic, and based on extensive firsthand research, Trotsky brilliantly illuminates the fateful and dramatic life of one of history's most captivating and important figures.
