I have to say, I didn't know what to expect with the first co-authored book. But I really liked it - in fact I couldn't really tell that HM Ward had not written all of it herself. First - you will need a box of tissues beside you when you start this novel - yep from the very beginning you will need them - and oh yeah don't put them away.

H.M. Ward does it again I knew I was looking forward to Jonathan's book and I was not disappointed. After all, the cover alone is worth the download. After all, the cover alone is worth the download. I found it interesting how the book covers the present, goes back to explain, and then brings us back again.

By New York Times Bestselling author HM Ward & Stacey Mosteller Sex. Betrayal. Forbidden Love. Lawn Boy. I'm not a catch. I'm not even certain I'm what they'd call 'mentally stable, ' not anymore. Too much has happened too fast and it ripped my soul in half. I'm alone, with a plastic stick in my hand that says the one word we'd been so eager to see: Pregnant. Lucky in love once is a miracle, but I lost him, and this baby is all I have left. My life turned to ash in a blink and there's nothing I can do about it. Years pass and I'm still here, but it doesn't feel like it, not until the lawn guy, Daniel Clement, checks me out. Me. A yoga-panting, pony-tailing, frumpy-butt, frizzy mommy who's covered in whatever the baby tossed on me at lunch. Daniel's dark eyes linger too long, as if he likes what he sees. I'm shocked and flattered, but he's too young. The age gap between us is over a decade, but that doesn't stop him. If I sleep with him, everyone will think I've lost my mind. Maybe I have. Every time I see Daniel's sexy, toned body glistening in the sunlight, I consider feeling him pressed against me, naked. The few times his fingers grazed my skin were heaven, but once the clothes come off--he's a god and I'm... me. I've been alone for so long. Surely one kiss won't hurt anything; one taste of his mouth should be harmless. Things don't have to go that far, but I'm wrong. Love only comes around once in a lifetime. Only fools think otherwise, and I'm the biggest fool of them all. Type: Stand alone New Adult novel

A Short Holiday Romance by New York Times Bestselling Author H.M. Ward There's no such thing as second chances, and Brooke would know. It doesn't matter that she's a disgruntled mall elf, standing next to a chimney-scented Santa with the most annoying co-worker ever. It doesn't make Christmas more magical. It's just another day to endure, and the holiday can't pass fast enough. That is, until her old flame, Chris, spots her. After taking a picture with Brooke in her elf costume, things take an unexpected turn. Maybe getting through the night won't be so difficult after all.

Mark Jennings is at a crossroads. His finance job in the Atlanta nonprofit scene stresses him out, his mother is dying, and his relationship with Brian Jacobs has crashed and burned. A LOVE STORY ABOUT AN ALPHA MANWHORE AND A GOOD GIRL BY NEW YORK TIMES BESTSELLING AUTHOR HM WARD Money. Power. Sex. Billionaire Pete Ferro is a manwhore and always will be. There aren't fifty shades of gray when it comes to love. Sometimes all we have is the here and now, and there aren't second chances -- so why pretend? That's the part I don't understand. Why does he act like he wants me one moment and then hate me the next? The man is sexy, with dark hair and a dimple at the corner of his crooked smile. He's forever swarmed by women, never wanting for anything. He doesn't want love. He doesn't want me. But those poems he writes, and the verses that run deeper than his alpha male exterior lets on, it leaves me wondering if I've fallen for a man or a myth. "Genre: New Adult Contemporary Romance This story unfolds over multiple volumes Length: Approx. 130 pgs "

The Valefar boy tricked Ivy Taylor into kissing him, but he took much more than a kiss—he stole her soul and left her within inches of death. By surviving, Ivy is drawn into the conflict between the Martis and the Valefar. The war between these two immortal forces has raged for millennia without distraction. Until now. Ivy is an anomaly—she is the only person who has ever walked away from a demon kiss alive. Her survival gives her unique and deadly abilities. Too powerful to ignore, Ivy is a threat to both armies. These two ancient enemies will stop at nothing to kill the seventeen-year-old. Surviving is nothing new for headstrong Ivy, but her survival has never depended on another person before. This time it does. And if she misplaces her trust, she's dead. To her horror, she starts falling in love at the worst possible time—with the enemy. He appears to be protecting her. But she can't be certain if he is trying to help her, or help himself to her power. For Ivy, trusting the right person is the difference between love and survival, or a deadly demon kiss. Demon Kissed #2 - CURSED - anticipated release date is August 31, 2011. Codi Malpass' Review - May 8, 20115 out of 5 stars "I was sucked into this book as soon as I read the first few pages. The amount of detail about the setting and the characters is amazing as well as the length of imagination in this book. There's enough romance in the story to keep you satisfied...even if it is kind of challenging for it to happen. I don't really like books with sloppy kisses and "I love you"s on every page. I can't really think of any other word for it other than phenomenal. H.M. Ward deserves a freaking award to rival all awards ever given. Another thing I like was the ending line...that made me smile and laugh when I read it. I can't wait for the second book to come out and I just hope that it's as good as this book was. Something else I'd like to say is that if I was a producer, I'd probably do anything to make this into a movie and if they ever do...they will have a lot of weight on their shoulders because it'd be hard to make a movie as good as this book." Amy's review Apr 10, 20115 of 5 stars "Wow! The story line was great, and the concept of the book was something I've never read before. There were so many twists that I couldn't predict anything that happened. I was kept guessing the entire time. Books like this are a rare find, especially when not that many people know about them. So I'm spreading the word! Read this book! You won't regret it! The sequel can't come out soon enough!" Allie B.'s review - April 20, 20115 out of 5 stars "This is one of the rare finds where the story draws you in and refuses to let go. Narrated in such detail, you are taken on an epic journey that will make you feel a part of Ivy Taylor's world, with a vested interest in each character. It takes an extraordinary piece of literature to drive the emotions and senses felt while reading this novel. Demon Kissed is the beginning of an amazing adventure...."

Three years have passed since Dare Wilde walked out of Reagan McKinley's life. Three years of radio silence. Three years of regrets. But she's not the same girl anymore. Now, at twenty-two, Reagan has big plans to change her life, and it all starts with a trip to Europe. Instead of heading into Harvard Law like her parents had planned, she's crossed the ocean to follow her dreams in the art world. Her dreams. For once. A chance meeting in Paris brings Reagan and Dare face-to-face again, but is it serendipity...or penance? A chasm of unspoken hurt stands between them, but they can't fight the passion they have for each other. And now that she's found Dare again--the one person in this world who makes her feel whole--she doesn't want to let go. Problem is, she may not have a choice. Two parts. One whole. Together...they're out of control. This unique, angsty, art-infused novel series is like a sexy CW show. Perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout.\* This is episode 2 of a 5-episode new adult series. Each book in the series is like an episode of your favorite television drama, telling a full piece of a much larger story, ending on a cliffhanger and leading right into the next book. Due to mature subject matter (sexual situations and strong language) this book may not be suitable for all readers.
