Elegantly written, her observations about the natural world and our place in it, now and in times gone by, are insightful, thoughtful and never pretentious (in that annoying "I've just discovered "nature" way you get with some writers). She is a treasure and deserves to be discovered and read by a much wider audience.

Sightlines, Kathleen Jamie’s second collection of essays and pieces about the natural world, came out in April this year. The reviews are already out, and they are—with no surprise at all, given the respect around in general for her poems and prose—the verdict of fully paid-up Jamie enthusiasts.

**Sightlines by Kathleen Jamie | The Bottle Imp**

On an uncommonly hot spring day in Edinburgh, Kathleen Jamie takes a seat on a bench warmed by the midday sun. She tilts her head, and listens. An activity taken for granted by most is elevated, in...

**Interview: Kathleen Jamie, author of Sightlines | The Scotsman**

With her poet’s eye and naturalist’s affinity for wild places, Kathleen Jamie reports from the field in this enthralling collection of fourteen essays whose power derives from the stubborn attention she pays to everything around her. Jamie roams her native Scottish “byways and hills” and sails north to encounter whalebones and icebergs.

In Sightlines, Kathleen Jamie reports from the field—from her native Scottish “byways and hills” to the frigid Arctic in fourteen enthralling essays. She dissects whatever her gaze falls upon—vistas of cells beneath a hospital microscope, orcas rounding a headland, the aurora borealis lighting up the frozen sea. In so doing, she questions what, exactly, constitutes “nature,” and ...

Life and work Kathleen Jamie is a poet and essayist. Raised in Currie, near Edinburgh, she studied philosophy at the University of Edinburgh, publishing her first poems as an undergraduate. Her writing is rooted in Scottish landscape and culture, and ranges through travel, women's issues, archaeology and visual art.

**Kathleen Jamie—Wikipedia**

Kathleen Jamie, the Scottish poet, has written a book that transcends the definition of nature study. Sightlines is ostensibly a series of essays – on gannets and storm petrels, archaeological digs...

**Sightlines by Kathleen Jamie: review—Telegraph**

Kathleen Jamie spent much of her early poetic career answering the question posed by the disapproving elders in her famous poem "The Queen of Sheba": "whae do you think y'ur?" Across a rich and varied body of writing, Jamie has been described as a feminist poet, a travel writer, a nature writer and Scottish writer.

**Kathleen Jamie—Poetry-Archive**

edit data Kathleen Jamie is a poet, essayist and travel writer, one of a remarkable clutch of Scottish writers picked out in 1994 as the ‘new generation poets’ – it was a marketing ploy at the time but turns out to have been a very prescient selection. She became Professor of Creative Writing at the University of Stirling in 2011.

**Kathleen Jamie (Author of Sightlines)—Goodreads**

Born in the west of Scotland, Kathleen Jamie studied philosophy at Edinburgh University. At 19 she won the prestigious Eric Gregory Award, which enabled her to explore the Himalayas, and at 20 she published her first poetry collection, Black Spiders (1982). Jamie resists being identified solely as a Scottish poet, a woman writer, or a nature poet.
