Songs of Praise was first published in 1925, and is still an immensely popular hymnbook, particularly in schools. The compilation falls into two parts: Book 1 contains hymns grouped by subject and theme, together with a selection of verses, canticles and doxologies; Book 2 contains general hymns listed alphabetically by first line.

The Complete Book of Hymns brings to life the stories behind more than 600 hymns and worship songs. With background on the composer, the inspiration behind the lyrics, scriptural references for devotional consideration, and a sampling of the song lyrics, this book brings forth the message of these great songs of the faith like never before!

This book contains 50 easy piano arrangements of popular praise and worship songs that are sung in churches everywhere. The arrangements, by leading Christian music arranger Carol Tornquist, sound great both as piano solos and for sing-alongs. Complete lyrics are included along with basic chord symbols. Sing! has grown from Keith and Kristyn Getty ' s passion for congregational singing; it ' s been formed by their traveling and playing and listening and discussing and learning and teaching all over the world. And in writing it, they have five key aims: • to discover why we sing and the overwhelming joy and holy privilege that comes with singing • to consider how singing impacts our hearts and minds and all of our lives • to cultivate a culture of family singing in our daily home life • to equip our churches for wholeheartedly singing to the Lord and one another as an expression of unity • to inspire us to see congregational singing as a radical witness to the world They have also added a few “ bonus tracks ” at the end with some more practical suggestions for different groups who are more deeply involved with church singing. God intends for this compelling vision of His people singing—a people joyfully joining together in song with brothers and sisters around the world and around his heavenly throne—to include you. He wants you,he wants us, to sing.
