The manual Cycle and Soak feature allows you to do the same thing as Smart Cycle (split up watering durations into multiple shorter watering durations), except that you define the parameters instead of Rachio doing this for you. Unlike Smart Cycle, applying a manual cycle and soak to your schedules takes some work and configuration to implement.

Refer to the owner's manual for more information on changing the aspect ratio on the screen. The Smart Cycle is designed for indoor use only. Do not mix old and new batteries or batteries of different types, such as alkaline and nickel-cadmium. Only one child at a time should ride on the Smart Cycle, and he or she should wear shoes while riding.

[How Do I Troubleshoot a Smart Cycle? | How To Adult](#)

The Smart Cycle comes with an easy-to-follow instruction manual, and the set-up only took a few minutes. However, one minor set-back we experience was that we needed the paper instruction manual on hand to understand how to play the video game; we found some elements of the games to be nearly impossible to understand without the instructions.
