TextBook Society The Basics 12th Edition [PDF]

Society: The Basics utilizes a complete theoretical framework and a global perspective to offer students an accessible and relevant introduction to sociology. John Macionis, author of the best-selling Introductory Sociology franchise over the last three decades, empowers students to see the world around them through a sociological lens, helping them to better understand their own lives.

Pearson - Society: The Basics: International Edition, 12/E ...

Change the way your students see the world. In Revel® Society: The Basics, author John Macionis empowers your students to change the way they view the world by showing them how to see sociology in everyday life. Throughout this brief text, Macionis takes an enlightening and practical approach to the traditional three-perspectives approach, guiding students step by step through the theories and research that make up the discipline.
