Sociology Exploring The Architecture Of

In Sociology: Exploring the Architecture of Everyday Life, David

Newman shows students how to see the "unfamiliar in the familiar"?to

step back and see organization and predictability in their personal

experiences. With his approachable writing style and lively personal

anecdotes, the author's goal from the first edition has been the same:

to write a textbook that "reads like a real book."

[PDF] Sociology: Exploring the Architecture of Everyday ...
This briefer version of Sociology: Exploring the Architecture of Everyday Life is streamlined while still exposing students to the key points of Newman's proven text. In his signature style, Newman shows students the two-way connection between the most private elements of their lives and the cultures, groups, organizations, and social institutions of today's society.
