Language Lessons is a new short story by Jay Bell, author of Something Like Summer.

bonds that a lifetime of change will not break. From sunset bike rides to shaded hiding places in the woods, the boys' days are marked by all of the secrets and silences of an idyllic middle-childhood. But amid the sundrenched cornfields their loyalty will be pitilessly tested. When a long-silent bell peals in the middle of the night, the townsfolk know it marks the end of their carefree days. From the depths of the Old Central School, a hulking fortress tinged with the mahogany scent of coffins, an invisible evil is rising. Strange and horrifying events begin to overtake everyday life, spreading terror through the once idyllic town. Determined to exorcize this ancient plague, Mike, Duane, Dale, Harlen, and Kevin must wage a war of blood—against an arcane abomination who owns the night...

There are two sides to every story. When you're Tim Wyman, sometimes there are three. Tim hoped moving to Texas would mean a new beginning, but he soon finds himself falling into the same tired patterns. Until he meets recklessly brave Benjamin Bentley, who introduces Tim to a world of love, sex, and warmth. Certain that society won't understand what he and Ben have together, Tim struggles to protect their relationship, even if it means twisting the truth. Buried beneath his own deceptions, Tim must claw his way to the surface in the hopes of learning to fly. *Something Like Winter*, the companion novel to *Something Like Summer*, tells the story from Tim Wyman's perspective, revealing new private moments and personal journeys. *The Seasons Series: Book 1: Something Like Summer Book 2: Something Like Winter Book 3: Something Like Autumn Book 4: Something Like Spring*

When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

When Rylie went to summer camp, she didn't expect to get bitten by a werewolf and turn into a monster. She also didn't expect to fall in love—especially not with a werewolf hunter. Between ravenous werewolf packs, a bloodthirsty family of hunters, and Rylie's battle with her inner wolf, all the odds are stacked against Rylie's love for Seth. But Seth will do anything to be with her...even if it means turning against his family and sacrificing everything. This is a collection of the first four books in the Seasons of the Moon series. It contains: Six Moon SummerAll Hallows' MoonLong Night MoonGray Moon RisingSIX MOON SUMMERRylie's been bitten. She's changing. And now she has three months to find a cure before becoming a werewolf... forever. Rylie Gresham hates everything about summer camp: the food, the fresh air, the dumb activities, and the other girls in her cabin. But the worst part is probably being bitten by a werewolf. Being a teenager is hard enough, but now she's craving raw flesh and struggles with uncontrollable anger. If she doesn't figure out a way to stop the transformation, then at the end of summer, her life is worse than over. She'll be a monster. ALL HALLOWS' MOONThe good girl has become the big bad wolf... Rylie survived a werewolf bite. She's moved to her aunt's ranch to enroll in a new school and continue her life--except now she transforms into a monster every moon and struggles to control her murderous urges. Without many werewolves left, it's hard to stay in hiding. A family of hunters--Eleanor, Abel, and Seth--recognize the signs and follow Rylie to her new home. They want to stop her before she murders someone, and the only way to do it is with a silver bullet. Seth soon realizes the werewolf is Rylie, the one monster he failed to kill. Worse yet, he's still in love with her. Torn between family and love, Rylie struggles to reconcile her feelings and control the wolf within while Seth fights to do what's right. But what is right--obeying desire or duty? LONG NIGHT MOONSomething is killing innocent people around Rylie Gresham's town. The police think it's a wild animal, but she has other suspicions. There are new kids at school, and they have a lot in common with her: gold eyes, super strength, and a habit of turning furry. It seems Rylie's not the only werewolf around anymore. It's up to Rylie and her werewolf-hunting boyfriend, Seth, to stop the killings. But saving lives doesn't come naturally to a monster, and territory battles could risk the life of her
