Sprout is a young adult gay novel by American author Dale Peck first published in May 2009. The novel depicts an openly gay teenage boy who moves to Kansas after his mother dies from cancer.

[Sprout \(novel\) - Wikipedia](#)

When *Sprout* and his father move from Long Island to Kansas after the death of his mother, he is sure he will find no friends, no love, no beauty. But friends find him, the strangeness of the landscape fascinates him, and when love shows up in an unexpected place, it proves impossible to hold. An incredible, literary story of a boy who knows he's gay, and the town that seems to have no place ...

[Sprout by Dale Peck | GLBT Teen Reads](#)

Dale Peck is amazing, with his metaphors, similies, and way of wording. I highlighted lines of the book I loved and I never write in books. The book is written as if *Sprout* is just having a conversation about his life to us, and it was magical in that perspective. I really liked the other characters as well: Ty, Ian, and Ruth.
