Or perhaps with the compressor type: rotary screw, piston or maybe even centrifugal. And some may answer based upon the air quality needed, such as oil free. If you're in construction you may say a 185, or a 1600 or a high-pressure unit. But the right service provider is often just as important.

Service, Parts & Maintenance | Sullair

Sullair has offices in Chicago and facilities in the United States and China – all ISO 9001 certified to assure the highest quality standards in manufacturing. For more than 50 years, Sullair has been on the leading edge of compressed air solutions. We were one of the first to execute rotary screw technology in our air compressors.
