A collection of 300 multiple-choice questions which are divided into subject chapters corresponding with those in General and Systematic Pathology, a complementary text. However, full explanatory answers are supplied so that this book may be used with any pathology textbook. The questions take the form of a stem with five branches which must be marked true or false. This is the most commonly used system of questions in British medical schools and is usually scored as +1 for a correct response and zero for no response.
