Tablet buying guide - Currys PC World

With so many compact laptops available, you might wonder why you'd want to buy a tablet instead. If you enjoy gaming or you work with graphics and HD video, then a high performance laptop or desktop will probably suit you better.. But tablets are now smarter than ever and most computer users don't need or use all of the power you can get from a dedicated PC or Mac.

A guide to buying tablets & e-readers

Now let's walk through all the steps involved in buying a tablet. Step 1 – Which Operating System? The OS is the Heart of a Tablet PC. People who are technically minded tend to think of the processor as the primary component of a piece of hardware. Most people would do well to think of the Operating System (OS) as their starting point.
