Hello! I haven't posted here in awhile and I have a question to ask: Got the new Tau Codex, and this is the ONLY 40K tau codex I never owned; I will note that I have never owned a codex of any kind before so, I just bought the models and slowly assembled them and painted them going with what looked truly badass with weapons and stuff. That is till I found someone at work who wants to play the ...

The 6th edition FAQ for Tau clearly states that this bit of wargear no longer does anything. Now obviously in 5th it technically didn't do anything as target priority tests don't exist but most people played it as the model with a target lock could fire at a different target to the rest of the squad.
