"The Snake God" is a humorous Christian conversion story set in the fag end of British Indian rule. James Powell is an officer in his Majesties Government of India, a die hard imperialist whose stiff upper lip takes a beating every time he sees the Hindu landlord praying to a snake. He fails to understand why would anyone pray to a snake. He introduces the landlord to Christianity. Bill Moore is the pastor in the local church who patiently tells the story of Christ to the Hindu landlord knowing full well that the latter was pretending to be interested in Christ. He is okay with that. At least the landlord is listening to the story of Christ. He believes that Jesus will do the rest and make the landlord a believer. The landlord is a die hard Hindu who prays to the snake god. He pretends to be interested in Christianity not because he believes in Christ, but because he wants to humor the British officers who have the power to make him richer. He goes to church and listens to the pastors story of Christ. He does not know that subconsciously he is moving away from the Snake God and coming closer to Christ. Unfortunately fate has other things in store for him. Read on?????

The snake God is a Hindu to Christian conversion story that went horribly wrong. Set in the fag end of British rule in India, the story revolves around a cobra that escapes from the snake charmers basket, is picked up by an eagle and falls into the landlords compound. On seeing it, the terrified landlord hops onto the visiting police officers jeep and hops on it for more elevation causing the bonnet to cave in. James Powell is the visiting police officer, a die hard imperialist whose stiff upper lip and poise take a beating when his host, the Indian landlord, starts hopping on the bonnet of his brand new Jeep. He watches aghast as the smart bonnet caves in. He is furious. Neither does he understand why on earth would anyone pray to a snake, especially one sitting coiled on the head of a scarecrow? He and Bill Moore, who is the pastor in the local church, succeed in converting the landlord to Christianity. Before converting to Christianity, the landlord was an orthodox Hindu who did not understand why Englishmen didn't pray to snakes? If they did, they would rule India for the next one hundred years.. The snake of course does not understand why humans pray to it and why they sometimes offer it milk? And why did they sometimes chase it with sticks and stones to kill it. Is it because it bit the little girl that died? Or is it because it got entangled in a sleeping woman's hair? Life is an enigma. Read on.

The serpent of ancient times was more often associated with positive attributes like healing and eternal life than it was with negative meanings. This groundbreaking book explores in plentiful detail the symbol of the serpent from 40,000 BCE to the present, and from diverse regions in the world. In doing so it emphasizes the creativity of the biblical authors' use of symbols and argues that we must today reexamine our own archetypal conceptions with comparable creativity.--From publisher description.

In this masterful commentary, respected biblical scholar Bruce Waltke carefully interprets the message of the prophet Micah, building a bridge between Micah's ancient world and our life today. Waltke's *Commentary on Micah* quickly distinguishes itself from other commentaries on this book by displaying an unprecedented exegetical thoroughness, an expert understanding of historical context, and a keen interest in illuminating the contribution of Micah to Christian theology. Tackling hard questions about date and authorship, Waltke contends that Micah himself wrote and edited the nineteen sermons comprising the book. Waltke's clear analytical outline leads readers through the three cycles of Micah, each beginning with an oracle of doom and ending with an oracle of hope, decisively showing that hope wins over doom. Learned yet amazingly accessible, combining scholarly erudition with passion for Micah's contemporary relevance, this book will well serve teachers, pastors, and students alike.

The "Snake" is a symbolic biblical reference to Satan, the devil. The Bible says in 1 Peter 5:8 that Satan go around pretending to be a roaring lion in order to intimidate and scare people into allowing him to bring trouble into their lives. However, the Bible also teaches that Satan is only "pretending" to be a lion. The Bible says that we have authority over Satan, and that he is, in fact, a defeated foe! This book teaches people how to fight against the devil with Scriptural methods.
