Close the gap between homework and exam performance with Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 13E! Market-leading MANAGERIAL ACCOUNTING has been on the forefront of innovation and change based on the needs of today's teaching and learning environment. Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING 13e helps elevate student thinking with content that addresses each stage of the learning process from motivation to mastery. It motivates students to learn, provides practice opportunities to better prepare for exams, and helps students achieve mastery with tools to help them make connections and see the big picture. The Complete Learning System in MANAGERIAL ACCOUNTING is built around the way students use textbooks to learn, study and complete homework, allowing them to achieve ultimate success in this course. The most significant changes for this edition involve a greater emphasis on service companies in the managerial accounting chapters. The end goal of Warren/Reeve/Duchac's MANAGERIAL ACCOUNTING learning system is to elevate thinking and create more empowered and prepared students--ready to take on the rest of their educational and career goals. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680922936. Principles of Accounting is designed to meet the scope and sequence requirements of a two-semester accounting course that covers the fundamentals of financial and managerial accounting. This book is specifically designed to appeal to both accounting and non-accounting majors, exposing students to the core concepts of accounting in familiar ways to build a strong foundation that can be applied across business fields. Each chapter opens with a relatable real-life scenario for today's college student. Thoughtfully designed examples are presented throughout each chapter, allowing students to build on emerging accounting knowledge. Concepts are further reinforced through applicable connections to more detailed business processes. Students are immersed in the "why" as well as the "how" aspects of accounting in order to reinforce concepts and promote comprehension over rote memorization.

The easy way to master a managerial accounting course Are you enrolled in a managerial accounting class and finding yourself struggling? Fear not! Managerial Accounting For Dummies is the go-to study guide to help you easily master the concepts of this challenging course. You'll discover the basic concepts, terminology, and methods to identify, measure, analyze, interpret, and communicate information in the pursuit of an organization's goals. Tracking to a typical managerial accounting course and packed with easy-to-understand explanations and real-life examples, Managerial Accounting For Dummies explores cost behavior, cost analysis, profit planning and control measures, accounting for decentralized operations, capital budgeting decisions, ethical challenges in managerial accounting, and much more. Covers the key concepts and tools needed to communicate accounting information for managerial decision-making within an organization Plain-English explanations of managerial accounting terminology and methods Tracks to a typical college-level managerial accounting course Managerial Accounting For Dummies makes it fast and easy to grasp the concepts needed to score your highest in a managerial accounting course.

Introduction to Managerial Accounting, 4/e by Brewer/Garrison/Noreen is based on the market-leading text, Managerial Accounting, by Garrison, Noreen and Brewer. However, this is not simply a briefer book with chapters removed; B/G/N has been rethought and retooled to meet the needs of the market. B/G/N 4/e is a more accessible, yet thoroughly student-friendly text that satisfies the basic needs of the managerial accounting student without unnecessary depth on advanced topics associated with the follow-up course: cost accounting/cost management. Faculty and students alike will find this new edition has retained the hallmark features of the Garrison brand: author-written supplements, excellent readability, terrific examples, and balanced end-of-chapter material.

To be a successful manager, you need to understand how foundational managerial accounting concepts apply to the business world. Managerial Accounting, 7th edition helps students make direct connections between the classroom and the boardroom by presenting robust cases and managers' comments on real company issues. Known for its "You Get What You Measure" framework, this edition presents an updated focus on building students' decision-making and critical thinking skills through incremental analysis and data analytics coverage. Appropriate for both introductory and MBA Managerial Accounting courses, Managerial Accounting, 7th edition helps prepares students for their role as future leaders.

The University of North Georgia Press and Affordable Learning Georgia bring you Principles of Managerial Accounting. Well-written and straightforward, Principles of Managerial Accounting is a needed contribution to open source pedagogy in the business education world. Written in order to directly meet the needs of her students, this textbook developed from Dr. Jonick's years of teaching and commitment to effective pedagogy.

Give your students a solid foundation in core accounting concepts while helping learners develop a true appreciation for why accounting is important to business and a prosperous society. Warren/Reeve/Duchac's FINANCIAL AND MANAGERIAL ACCOUNTING, 14E clearly demonstrates how accounting is much more than simply data and black and white rules. Instead, students see how accounting provides key information used to make critical business decisions. A new chapter schema provides context for how each chapter's content fits into the big picture. The book focuses on why accounting is important and consistently reinforces connections to the big picture by connecting journal entries to the accounting equation. Fresh organization progresses from the simplest to the more complex topics with reorganized and fully integrated coverage of the new Revenue Recognition standard, reorganized coverage of adjustments, and reorganized managerial accounting chapters Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
