The Primo Ballerino lets you waltz through the trees with the exuberance of a fat man in a tight dress. No, really what we have here is a high performance full carbon fat bike that has the agility and strength of a well trained ballerina. As with all our bikes, performance is paramount, and with the versatility and smoothness that only 5" tires deliver, the Primo Ballerino guarantees to deliver an outstanding ride while turning the fun factor up to 11 no matter where you take it.

learns his life is threatened by a dangerous rival motorcycle gang and that pierced, tattooed, HOT biker Zeke Ivers has been assigned by Jake's MC to guard him. Saddled with the constant presence of the infuriating man, Morgan juggles the demands of an exhausting dance schedule as well as his new responsibilities as CEO of his family's multi-million-dollar company. He never expects to develop an attraction for the straight, obnoxious biker, but that's exactly what happens. Estranged from an abusive family, Zeke Ivers has lived at the Sentinel's club house and worked on cars since he was a teen. When fellow club member Jake Wentworth and a rival club president's girl are killed on Jake's bike, the Sentinel's president delegates the protection of Jake's little brother, Morgan, to Zeke. Zeke would do anything for the club that pulled him off the streets, but Morgan's a ballet dancer, for Christ's sake, as well as annoying as hell. Still, Zeke finds himself inexplicably drawn to the young man. The more attracted Zeke becomes to Morgan, the more the biker is forced to examine his sexuality and decide whether two people from opposite sides of the tracks could possibly have a future together, or if Zeke should do what is fast becoming too painful to consider: let Morgan go.

Greece, home of the world's most beautiful epebes, Spartan barracks, schools and sexuality in Rome and how they compared with those of Ancient Athens. Renaissance communal life in artists' workshops and ateliers, the boarding schools of the times, where, because girls were protected with Brinks-like security, boys whiled away the nights in virile couplings, the days in lewd gestures and lewder jokes. The golden age of boarding-school homosexuality was England of the 1800s and 1900s [Oxford, Cambridge, Harrow, Eton and others], which spilled over, homoerotically, into the Apostles and the Bloomsbury Set that I've treated in fully-illustrated detail, as well as the eroticism in today's dormitories, the Princeton Rub an example. There is a full section on the erotic Greek and Roman texts professors used to excite the imaginations of the boys, laying the grounds for later private tutorials. Apprenticeships on vessels, the berths the ship's dormitories, led to matelotage, male sexual liaisons and the trial of the century. Included within are the lives of the most supremely unique individuals to have lived: Plato, Aristotle, Alexander the Great, Lorenzo de' Medici, da Vinci, Cellini, Byron, Rupert Brooke, Duncan Grant, Maynard Keynes, T.E. Lawrence, Caravaggio, Michelangelo--issued from various types of schools, men who have enriched us forever, men of genius who happened to have preferred other men. sibling. Things were worse after my parents died. Chase was sweet and supportive, which only strengthened my feelings for him. But then he'd act like I couldn't take care of myself, and that part didn't go over well with me. Yeah, I had a habit of screwing up. I'd always been the weird boy in our small town, but just like my big brother, he took overprotective to a new level. Until one night when I was eighteen and Chase and I hooked up. It was a ding to the ego that he left town right afterward. Ridiculously, I'm still not over him. CHASEI betrayed my best friend, Griffin, the night I messed around with Kellan. So I ran—first to the Marines, then into law enforcement. Ten years later, I'm back home, this time as a patrol officer rather than a troublemaker's son. Oh, and unable to keep my hands off Kellan Caine. There's always been something about him...the way he stands strong in who he is, even when he's standing alone. I'm trapped between someone I want more than anything and Griff, the guy who's like family to me. Yet the more time I spend with Kellan, the harder it becomes to deny there's something real between us. With my dad stirring up trouble, and me going behind my best friend's back, everything's a mess. The more tangled the web gets, the more I realize I need Kellan. And that there might be something in the Hawthorne family history that'll make me lose both Kellan and Griffin for good.

Through an interview-based study, Victoria Pitts has researched the subcultural milieu of contemporary body modification, focusing on the ways sexuality, gender and ethnicity are being reconfigured through new body technologies - not only tattooing, but piercing, cyberpunk and such 'neotribal' practices as scarification. She interprets the
