McKenzie Wark's new book on situationism, *The Beach Beneath the Street: The Everyday Life and Glorious Times of the Situationist International*, aims to stir up just such an awakening, through a closer look at the neglected legacy of a movement whose members were "bohemian at best, delinquent at worst," and whose ambition was, unabashedly, "to change the world."

Over fifty years after the Situationist International appeared, its legacy continues to inspire activists, artists and theorists around the world. Such a legend has accrued to this movement that the story of the SI now demands to be told in a contemporary voice capable of putting it into the context of twenty-first-century struggles. McKenzie Wark delves into the Situationists' unacknowledged diversity, revealing a world as rich in practice as it is in theory. Tracing the group's development from the bohemian Paris of the '50s to the explosive days of May '68, Wark's take on the Situationists is biographically and historically rich, presenting the group as an ensemble creation, rather than the brainchild and dominion of its most famous member, Guy Debord. Roaming through Europe and the lives of those who made up the

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

movement—including Constant, Asger Jorn, Michèle Bernstein, Alex Trocchi and Jacqueline De Jong – Wark uncovers an international movement riven with conflicting passions. Accessible to those who have only just discovered the Situationists and filled with new insights, The Beach Beneath the Street rereads the group's history in the light of our contemporary experience of communications, architecture, and everyday life. The Situationists tried to escape the world of twentieth-century spectacle and failed in the attempt. Wark argues that they may still help us to escape the twenty-first century, while we still can.

Examines New York City as a paradigmatic example of the tensions between privatization and public uses of space in

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

the contemporary U.S. Focusing on the liberating promise of public space, *The Beach Beneath the Streets* examines the activist struggles of communities in New York City—queer youth of color, gardeners, cyclists, and anti-gentrification activists—as they transform streets, piers, and vacant lots into everyday sites for autonomy, imagination, identity formation, creativity, problem solving, and even democratic renewal. Through ethnographic accounts of contests over New York City's public spaces that highlight the tension between resistance and repression, Shepard and Smithson identify how changes in the control of public spaces—parks, street corners, and plazas—have reliably foreshadowed elites' shifting designs on the city at large. With an innovative taxonomy of public space, the authors frame the ways spaces

as diverse as gated enclaves, luxury shopping malls, collapsing piers and street protests can be understood in relation to one another. Synthesizing the fifty-year history of New York's neoliberal transformation and the social movements which have opposed the process, *The Beach Beneath the Streets* captures the dynamics at work in the ongoing shaping of urban spaces into places of repression, expression, control, and creativity. Benjamin Shepard is Assistant Professor of Human Services at New York City College of Technology, CUNY. He is the author or editor of several books, including *White Nights* and *Ascending Shadows: An Oral History of the San Francisco AIDS Epidemic*, and *From ACT UP to the WTO: Urban Protest and Community Building in the Era of Globalization*. Gregory

Smithsimon is Assistant Professor of Sociology at Brooklyn College, CUNY.

Following his acclaimed history of the Situationist International up until the late sixties, *The Beach Beneath the Street*, McKenzie Wark returns with a companion volume which puts the late work of the Situationists in a broader and deeper context, charting their contemporary relevance and their deep critique of modernity. Wark builds on their work to map the historical stages of the society of the spectacle, from the diffuse to the integrated to what he calls the disintegrating spectacle. *The Spectacle of Disintegration* takes the reader through the critique of political aesthetics of former Situationist T.J. Clark, the Fourierist utopia of Raoul

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

Vaneigem, René Vienet's earthy situationist cinema, Gianfranco Sangunetti's pranking of the Italian ruling class, Alice-Becker Ho's account of the anonymous language of the Romany, Guy Debord's late films and his surprising work as a game designer. At once an extraordinary counter history of radical praxis and a call to arms in the age of financial crisis and the resurgence of the streets, *The Spectacle of Disintegration* recalls the hidden journeys taken in the attempt to leave the twentieth century, and plots an exit from the twenty first. The dustjacket unfolds to reveal a fold-out poster of the collaborative graphic essay combining text selected by McKenzie Wark with composition and drawings by Kevin C. Pyle.

One of The New York Times' 16 New Books to Watch for in March One of Publishers Weekly's Most Anticipated Books of the Year One of Newsweek's Most Highly Anticipated Books of The Year One of BuzzFeed's Most Anticipated Books the Year Based on the acclaimed series—a finalist for the Pulitzer Prize—an intimate account of the devastating effects of gun violence on our nation's children, and a call to action for a new way forward In 2017, seven-year-old Ava in South Carolina wrote a letter to Tyshaun, an eight-year-old boy from Washington, DC. She asked him to be her pen pal; Ava thought they could help each other. The kids had a tragic connection—both were traumatized by gun violence. Ava's best friend had been killed in a campus shooting at her elementary school, and Tyshaun's father had been shot to

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

death outside of the boy's elementary school. Ava's and Tyshaun's stories are extraordinary, but not unique. In the past decade, 15,000 children have been killed from gunfire, though that number does not account for the kids who weren't shot and aren't considered victims but have nevertheless been irreparably harmed by gun violence. In *Children Under Fire*, John Woodrow Cox investigates the effectiveness of gun safety reforms as well as efforts to manage children's trauma in the wake of neighborhood shootings and campus massacres, from Columbine to Marjory Stoneman Douglas. Through deep reporting, Cox addresses how we can effect change now, and help children like Ava and Tyshaun. He explores their stories and more, including a couple in South Carolina whose eleven-year-old

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

son shot himself, a Republican politician fighting for gun safety laws, and the charlatans infiltrating the school safety business. In a moment when the country is desperate to better understand and address gun violence, Children Under Fire offers a way to do just that, weaving wrenching personal stories into a critical call for the United States to embrace practical reforms that would save thousands of young lives.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people

# Online Library The Beach Beneath Street Everyday Life And Glorious Times Of alive in the face of total devastation. McKenzie Wark

THE NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR by Booklist • Kirkus Celebrate all the ways love makes us who we are with the romance that Entertainment Weekly calls "wise, wildly unique"--from the bestselling co-author of Nick and Norah's Infinite Playlist and Will Grayson, Will Grayson--about a teen who wakes up every morning in a different body, living a different life. Now a major motion picture! Every day a different body. Every day a different life. Every day in love with the same girl. There's never any warning about where it will be or who it will be. A has made peace with that, even established guidelines by which to live: Never get too

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

attached. Avoid being noticed. Do not interfere. It's all fine until the morning that A wakes up in the body of Justin and meets Justin's girlfriend, Rhiannon. From that moment, the rules by which A has been living no longer apply. Because finally A has found someone he wants to be with—day in, day out, day after day. With his new novel, David Levithan, bestselling co-author of Will Grayson, Will Grayson, and Nick and Norah's Infinite Playlist, has pushed himself to new creative heights. He has written a captivating story that will fascinate readers as they begin to comprehend the complexities of life and love in A's world, as A and Rhiannon seek to discover if you can truly love someone who is destined to change every day. "A story that is always alluring, oftentimes humorous and much like love itself—splendorous."

# Online Library The Beach Beneath Street Everyday Life And Glorious Times Of —Los Angeles Times

This book explores a type of wandering referred to as “errant bodies.” This form of wandering is intentional, without specific destination, and operates as a means of resistance against hegemonic forms of power and cultural prescriptions.

Beginning with an examination of the character and particulars of being an errant body, the book investigates historical errant bodies including Ancient Greek Cynics, Punks, Baudelaire, Situationists, Earhart, Kerouac, Fuller, Baudrillard, Hamish Fulton, and Keri Smith. Being an errant body means stepping to the side of dominant culture, creating a potential means of political resistance in the technologically driven twenty-first century.

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of Sitionist International Mckenzie Wark

Three strangers discover their life savings and their trusted financial advisor have vanished, leaving them with co-ownership of a ramshackle beachfront house they decide to restore in this new novel from the author of The Accidental Bestseller. Original.

A notable contribution to our understanding of ourselves. This book explores the realm of human behavior in social situations and the way that we appear to others. Dr. Goffman uses the metaphor of theatrical performance as a framework. Each person in everyday social intercourse presents himself and his activity to others, attempts to guide and control the impressions they form of him, and employs certain techniques

## Online Library The Beach Beneath Street Everyday Life And Glorious Times Of

in order to sustain his performance, just as an actor presents a character to an audience. The discussions of these social techniques offered here are based upon detailed research and observation of social customs in many regions.
