Unit 5 : The Changing Face of America (1855–1925) Unit Five explores the increasing diversity of American life and literature as more women began to write, and as immigration and industrialization changed the way Americans lived. Part 1 explores women's literary voices, focusing on works by Emily Dickinson, Julia Alvarez, and others.

Unit 5 : The Changing Face of America (1855–1925)

Across South America, the second half of the past decade had brought increasingly dire problems. With the decline of global natural resource prices between 2011 and 2014, its two largest economies, Brazil and Argentina, saw steep declines in economic output, and Venezuela, once its wealthiest country, underwent a calamitous collapse.

The Changing Face of Racism in America As we trudge deeper into the 21 st century, racism in the United States continues to present continuous problems to our society. While the biological conception of race and genetic differences between people with lighter or darker pigmentation is a made-up fallacy, we have nurtured a social hierarchy aligning with it, creating very real consequences.
