In the introduction to Religious Radicalism after the Arab Uprisings, Jon B. Alterman provides a strategic overview of how the Arab uprisings have shaped religiously inspired violence and religious radicalism across the region. The melting away of police and security forces in many countries and the endurance of anti-state violence in Syria, Iraq, and Libya created new opportunities for ...

The Changing Geopolitical Landscape in Asia

Since the end of the Cold War, several geopolitical developments in Asia have changed the way India and Pakistan—the two main South Asian states—interact with other major powers. With the rise of an assertive China, growing extremism and terrorism in the larger subcontinent, and a stronger India, the United States and Russia have altered the way in which they engage and cooperate with India and Pakistan.
