The Creative License: Giving Yourself Permission to Be the ...

The Creative License: Giving Yourself Permission to Be the Artist You Truly Are Creativity is something we are all born with, but somewhere along the way, we convince ourselves we don't have the right to label ourselves as creative or artists. This book is my attempt to reverse that with a step-by-step process to reawaken the...

The Creative License – Danny Gregory
Danny Gregory, the author of Creative License has carved out a unique niche for himself. Benefitting from the pervasive spread of the internet, Gregory created an influential blog years ago that described his re-entry into the practice of drawing for personal pleasure.

Danny Gregory - YouTube

I found myself laughing and with watery eyes while holding my pencil and performing my own creative license, thanks to Danny Gregory's teachings. It took me 20 years to start drawing again, I am glad I started with this book.

The Creative License: Giving Yourself Permission to Be the ...

Today ' s session is a meditative practice to make you feel calm and centered. All you need is a pen, some paper, and something organic, complex and random to draw. Danny will explain what that means in the video. Today ' s lesson is from the course: “ Seeing ” . More here. Join us on Facebook or YouTube —

Danny Gregory (Author of The Creative License)

'Creative License' captures the rebellious trajectory of the 1960s, the emergence of the counter-culture, dissent and later disillusionment. This is a case study of an era when art colleges were well funded and well free and, at Leeds, had a mission to progress the avant-garde project to the next level.

The book that was written for me is The Creative License by Danny Gregory and I can tell you with no degree of uncertainty that if someone asked me about my favourite book and I replied with this, few would even know it exists. This preoccupies me a great deal because The Creative License wasn't just written for me; it was written for you too.
