Earthquakes on Mars in the 22 nd Century (2132) and
18 th Century (1779) British Sailing Vessels traversing
space might not be the first two things one might
think to pair together in a story, but that is part of
what makes Michael J. Martinez's debut novel, The
Daedalus Incident such an interesting and fun novel.

Ebooks. The Daedalus Incident. Mars is supposed to be dead.... Bizarre quakes are rumbling over the long-dormant tectonic plates of the planet, disrupting its trillion-dollar mining operations and driving scientists past the edges of theory and reason. However, when rocks shake off their ancient dust and begin to roll—seemingly of their own volition—carving canals as they converge to form a towering structure amid the ruddy terrain, Lt ...
