A Pulitzer Prize-winning novel celebrating its 100th anniversary in 2013, this is a tale of people struggling to carve out a life in the wilderness while battling ever-duplicitous human nature Alexandra Bergson's father, John, is dying. He entrusts his farmstead on a desolate stretch of plain to her, rather than to her brothers. Faced with the rigors of frontier living, droughts, and penury, Alexandra only becomes more determined to carry on her father's legacy and battles through remortgaging the

farm and adopting new techniques. Fast forward 16 years, her hard work has paid off, her brothers Lou and Oscar have both created prosperous farms, and under Alexandra's management the original farm has thrived. When childhood friend Carl Linstrum returns from traveling it appears that romance is on the cards, but Lou and Oscar drive him out of town, fearing that their sister's marriage would disinherit their own children. The community begins to unravel as jealousy spills out into murder. Although born in Virginia, Willa Cather's family moved to Nebraska and

her writing reflects her upbringing in the prairie lands steeped in history.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing

for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

In this frighteningly believable thriller from New York Times bestselling author and master storyteller Tosca Lee, an extinct disease re-emerges from the melting Alaskan permafrost and causes madness in its victims. For recent apocalyptic cult escapee Wynter Roth, it's the end she'd always been told was coming. When Wynter Roth finally escapes from New Earth, a self-contained

doomsday cult on the American prairie, she emerges into a world poised on the brink of madness as a mysterious outbreak of rapid early onset dementia spreads across the nation. As Wynter struggles to start over in a world she's been taught to regard as evil, she finds herself face-to-face with the apocalypse she's feared all her life—until the night her sister shows up at her doorstep with a set of medical samples. That night, Wynter learns there's something far more sinister at play: that the prophet they once idolized has been toying with the fate of mankind, and that these

Uncertain who to trust, she takes up with former military man Chase Miller, who has his own reasons for wanting to get close to the samples in her possession, and to Wynter, herself. Filled with action, conspiracy, romance, and questions of whom—and what—to believe, *The Line Between* is a high-octane story of survival and love in a world on the brink of madness, from “the queen of psychological twists” (New
