Abdul Basit's fascinating account of India Pakistan relations is based largely on his tenure in India as Pakistan High Commissioner from March 2014 to August 2017: the "ups and downs that generated hopes and created stalemates; how the two sides dealt with them; why and how the bilateral relationship reached the present troublesome phase; whether there is any possibility that the two would ever be able to become normal neighbours", as he writes. Basit's important book sheds light on questions of diplomacy and state interests that are as pertinent as ever.

We need to recover a truth that has been all but lost in modern-day Christianity. It has been buried for too long, and it is too valuable to be forgotten. This life-changing truth is that the heart is the key to everything in the Christian life. The heart is the wellspring of all our actions, emotions, motives, and character. Everything we are, everything we say, and everything we do flows directly from the heart. In The Heart-The Key to Everything in the Christian Life, believers will discover how the heart is central to spiritual growth and how it will help us better reflect the image of Christ in a fallen world. The heart is the key to our service and obedience to the Father. The heart is the key to the purity and depth of our worship, praise, and love of God. It is time the Christian church once again teaches a proper understanding of the heart so that we can fully embrace and manifest the life of Christ within us.

A concise and professionally-researched summary of Aleister Crowley's book: "Magick in Theory and Practice". From Alden Marshall's Condensed Esoterica series, this complete summary provides a fast and straightforward way to understand and study the main ideas and concepts of the original source text. About the Original Book: Magick in Theory and Practice by Aleister Crowley aims to deliver a complex and diverse manual intended for the magician. This book offers various accounts and instructions on both magical theory and practice, starting from the bottom, with things as simple as the tools needed, going all the way to the more abstract notions involved in such practices. The second half of this book contains a rich appendix section with illustrations and further explanations of the chapters present in the book. Added-value of this summary: * Save time * Understand the key concepts * Expand your knowledge Note to readers: This is an unofficial summary and analysis of the book and not the original book itself. Alden Marshall and the Condensed Esoterica Collection are wholly responsible for this content and are not associated with the original author in any way. You are encouraged to purchase and read the original text in addition to this summary.

Read this if you want to sell more books, make more money as an author, or rank higher in your category. My name is Nick Vullich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing...

Voyage of the Dead is the first book of the Sovereign Spirit Saga detailing the adventures of several groups of survivors of the Zombie Apocalypse. Most of them are aboard a ship that is well equipped to survive the end of civilization, while others struggle to survive in a world suddenly overrun by undead cannibals. This is a science fiction adventure set within a horror genre, full of blood, guts, violence and the human emotions that fuel our survival instincts. While some scenes include graphic violence, it is intended to be more exciting than disgusting and more about using your brains than eating them. Enjoy the ride! Book length is over 100,000 words. This is the first book of a series, followed by "Flotilla of the Dead" and "Deluge of the Dead" in the Sovereign Spirit Saga. "Without a doubt one of the better Zombie books." Anthony Wessel for The Kindle Book Review "This is one of those books that starts with a bang and I read waiting for the pace to slacken, except it doesn't. Too often, books of this kind start out with an action scene, and then we get chapters of backfill and descriptions of the soap opera-like travails of our characters. While Forsyth indeed fills in the characterizations, the key quality of this book is that most valuable in any kind of thriller--PACING." John S. Walsh "What a truly entertaining read. I started reading on Friday morning and couldn't put the book down until I finished. Not just your everyday, run-of-the-mill, ho-hum story of the apocalypse." -- 5 stars from Paul Jones, author of "Extinction Point" and "Towards Yesterday." "Gorey, pulpy, zombie fun! Basically it's the A-Team meets Battlestar Galactica meets The Walking Dead. If this were a show I'd watch it." -- 5 stars from Nathan Yocum, author of "The Zona." "The Walking Dead meets Battlestar Galactica! This novel has all the ingredients for an epic series of books and would be great for television too. It's like a Star Trek of the Zombie Apocalypse." Tom McWilliams

This book looks at the more recent works of fiction by Stephen King as well as an examination of his nonfiction book, On Writing, published in 2000. Works discussed in this volume include Duma Key, The Girl Who Loved Tom Gordon, Under the Dome, Joyland, and Dr. Sleep.

Emilia Bernhard's third Death in Paris novel, featuring two American sleuths in the City of Lights, is perfect for fans of M. L. Longworth and Juliet Blackwell. In Paris, some are dying for the latest fashion...others will kill for it. Having successfully solved two murders in the City of Lights, self-proclaimed private detectives Rachel Levis and Magda Stevens are ready to take on the world. Or at least the 3rd arrondissement. Which is good news when renowned fashion designer Roland Guipure is found lifeless outside his own birthday party in that upscale neighbourhood, dead from an apparent overdose. Rachel thinks its murder, and when it turns out the police agree, the two Americans roll up their sleeves for another murder investigation. And there are plenty of suspects: the angry assistant designer promoted to the top spot as a result of Guipure's death; the lovelorn PA who was crushed by the designer's lack of interest in her; the former boyfriend who lost his meal ticket as a result of Guipure's successful stay in rehab. Not to mention that the designer's murder occurred a few days before that of an American tourist who seems to be connected to him in some mysterious way. Paris is beginning to feel crowded with corpses. Coincidence or just bad luck? As the clues and suspects pile up, Rachel and Magda rush to find the murderer before another death is cut from the same cloth.

Life's A Beach for John Pilate...Umbrella drink in hand and on the mend from a near-death experience, John Pilate is just starting to relax on the sun-soaked beaches of Key West when a dead man falls in his lap. Now he has blood on his hands, a mysterious poker chip in his pocket, shadows over his shoulder and a sexy cop in his bed. John Pilate is in trouble again--and the only way out is to hit the high seas and find the key...Pilate's Key. A 2012 Kindle Book Review Awards semi-finalist for Best Mystery/Thriller! Named a "Page Turner" by Shelf Unbound Literary Magazine! Scroll up to the upper left side of this page and click "Look Inside" to get a sample and find out why this series is regarded as a fast, fun airplane or beach read. Crime fiction will never be the same!
