What is Design Thinking? |  
AJ\|u0026Smart The Design Of  
Business Why

Business Designers often feel like translators, navigators, almost the glue between several very disparate groups of people. It's a real skill. 6) And finally, Business Design stands or falls on its ability to tell the right story at the right time to the right person. This is a classic design skill: the ability to communicate well, and get everyone else as excited and on board with the vision, but also the practicalities, talking the
