From the #1 New York Times bestselling author of the Penn Cage series and the Natchez Burning trilogy comes "a steamy, swampy tale of international nastiness" (Kirkus Reviews) in an electrifying thriller that reveals a world of depravity, sex, violence, and the corruption of a Southern town. As a prosecuting attorney in Houston, Penn Cage sent hardened killers to death row. But it is as mayor of his hometown—Natchez, Mississippi—that Penn will face his most dangerous threat. Penn has ridden into office on a tide of support for change. But in its quest for new jobs and fresh money, Natchez has turned to casino gambling, and now five fantastical steamboats float on the river beside the old slave market at Natchez. But one boat isn't like the others. Rumor has it that the Magnolia Queen has found a way to pull the big players from Las Vegas to its Mississippi backwater. And with them come pro football players, rap stars, and international gamblers, all sharing an unquenchable taste for one thing: blood sport—and the dark vices that go with it. When a childhood friend of Penn's who brought him evidence of these crimes is brutally murdered, the full weight of Penn's failure to protect his city hits home. So begins his quest to find the men responsible. With his family's lives at stake, Penn realizes his only allies in his one-man war are those bound to him by blood or honor. Ultimately, victory will depend on a bold stroke that will leave one of Penn's allies dead—and Natchez changed forever. *The Devil's Punchbowl* is a "knockout thriller that's just the right degree of chilly to combat the dog days of summer... Iles's knack for perfectly integrating character and plot could serve as a master's class for other authors" (The Dallas Morning News). This is "much more than just an exciting read" (Publishers Weekly, starred review).

Penn Cage was elected mayor of Natchez, Mississippi - the hometown he returned to after the death of his wife - on a tide of support for change. Two years into his term, casino gambling has proved a sure bet for bringing new jobs and fresh money to this fading jewel of the Old South. But deep inside the Magnolia Queen, a fantastical repurposed steamboat, a depraved hidden world draws high-stakes players with money to burn on their unquenchable taste for blood sport and the dark vices that go with it. When an old high school friend hands him blood-chilling evidence, Penn alone must beat the odds tracking a sophisticated killer who counters his every move, placing those nearest to him - including his young daughter, his renowned physician father, and a lover from the past - in grave danger, and all at the risk of jeopardizing forever the town he loves.

Widower Penn Cage returns to his hometown of Natchez, Mississippi, where, finding that his father is being blackmailed, he reopens a notorious murder case that involves powerfully dangerous town forces, the FBI, and his own past. Reissue.

The #1 New York Times bestselling author of Mississippi Blood, Greg Iles, keeps the secrets of the South alive in this vibrant novel of infatuation, murder, and sexual intrigue set in his hometown of Natchez, Mississippi. Turning Angel marks the long-awaited return of Penn Cage, the lawyer hero of *The Quiet Game*, and introduces Drew Elliott, the highly respected doctor who saved Penn's life in a hiking accident when they were boys. As two of the most prominent citizens of Natchez, Drew and Penn sit on the school board of their alma mater, St. Stephen's Prep. When the nude body of a young female student is found near the Mississippi River, the entire community is shocked—but not one more than Penn, who discovers that his best friend was entangled in a passionate relationship with the girl and may be accused of her murder. On the surface, Kate Townsend seems the most unlikely murder victim imaginable. A star student and athlete, she'd been accepted to Harvard and carried the hope and pride of the town on her shoulders. But like her school and her town, Kate also had a secret life—one about which her adult lover knew little. When Drew begs Penn to defend him, Penn allows his sense of obligation to override his instinct and agrees. Yet before he can begin, both men are drawn into a dangerous web of blackmail and violence. Drew reacts like anything but an innocent man, and Penn finds himself doubting his friend's motives and searching for a path out of harm's way. More dangerous yet is Shad Johnson, the black district attorney whose dream is to send a rich white man to death row in Mississippi. At Shad's order, Drew is jailed, the police cease hunting Kate's killer, and Penn realizes that only by finding Kate's murderer himself can he save his friend's life. With his daughter's babysitter as his guide, Penn penetrates the secret world of St. Stephen's, a place that parents never see, where reality veers so radically from appearance that Penn risks losing his own moral compass. St. Stephen's is a dark mirror of the adult world, one populated by steroid-crazed jocks, girls desperate for attention, jaded teens flirting with nihilism, and hidden among them all—one true psychopath. It is Penn's journey into the heart of his alma mater that gives *Turning Angel* its hypnotic power, for on that journey he finds that the intersection of the adult and nearly adult worlds is a dangerous place indeed. By the time Penn arrives at the shattering truth behind Kate Townsend's death, his quiet Southern town will never be the same.

From the #1 New York Times bestselling author of the Natchez Burning trilogy—*Natchez Burning*, *The Bone Tree*, and the upcoming *Mississippi Blood*—comes this e-original novella featuring former prosecutor Penn Cage, a story of family secrets and justice denied, plus an excerpt from *Natchez Burning*. Death is the end, and if a man doesn't speak before it silences him, then his deepest secrets go with him. When a heart attack sends Penn's father, Tom Cage, to the ER, Tom begs that his son be brought to his side to hear a dying declaration. But when Penn arrives, Tom denies ever making the request—keeping his secrets for another day. The emergency hurls Penn back to a chilling case in Houston, where he worked in a DA's office known as the "death factory," which sent more killers to death row than any other in America. While Penn cares for his ailing wife, a tormented forensic technician brings him evidence of a crime lab in chaos, throwing past convictions into doubt and begging Penn to prevent an imminent travesty of justice. With the desperation of a man fighting death in his own home, Penn must find a way to bring the machinery of the death factory to a halt.

From #1 New York Times bestselling author Greg Iles comes the first novel in his Natchez Burning trilogy—which also includes *The Bone Tree* and the upcoming *Mississippi Blood*—an epic trilogy that interweaves crimes, lies, and secrets past and present in a mesmerizing thriller featuring Southern lawyer and former prosecutor Penn Cage. Raised in the southern splendor of Natchez, Mississippi, Penn Cage learned all he knows of duty from his father, Dr. Tom Cage. But now the beloved family doctor has been accused of murdering the African American nurse with whom he worked in the dark days of the 1960s. Once a crusading prosecutor, Penn is determined to save his father, but Tom, stubbornly invoking doctor-patient privilege, refuses even to speak in his own defense. Penn's quest for the truth sends him deep into his father's past, where a sexually charged secret lies. More chilling, this long-buried sin is only one thread in a conspiracy of greed and murder involving the vicious Double Eagles, an offshoot of the KKK controlled by some of the most powerful men in the state. Aided by a dedicated reporter privy to Natchez's oldest secrets and by his fiancée, Caitlin Masters, Penn uncovers a trail of corruption and brutality that places his family squarely in the Double Eagles' crosshairs. With every step costing blood and faith, Penn is forced to confront the most wrenching dilemma of his life: Does a man of honor choose his father or the truth?

The electrifying second installment of the NATCHEZ BURNING trilogy by No.1 New York Times bestseller, Greg Iles

'Extraordinarily entertaining and fiendishly suspenseful' (Stephen King). The stunning new Penn Cage thriller in which a shocking murder from the 1960s finds new life - and victims - in the present.

The #1 New York Times Bestseller GoodReads Choice Award semi finalist, Amazon Best Mysteries & Thrillers of 2017 selection The final installment in the epic Natchez Burning trilogy by Greg Iles "Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down; as long as it is, I wished it were longer. . . . This is an amazing work of popular fiction." —Stephen King "One of the longest, most successful sustained works of popular fiction in recent memory. . . . Prepare to be surprised. Iles has always been an exceptional storyteller, and he has invested these volumes with an energy and sense of personal urgency that rarely, if ever, falter." —Washington Post The endgame is at hand for Penn Cage, his family, and the enemies bent on destroying them in this revelatory volume in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles's epic tale of love and honor, hatred and revenge that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations—preferring to reveal the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son—Penn's half-brother—who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him—not even his own mother—Penn joins forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father's case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. Mississippi Blood is the enthralling conclusion to a breathtaking trilogy seven years in the making—one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited.

The first three thrillers in the New York Times No.1bestselling series featuring Penn Cage: a man who must face the dark heart of the Deep South – and question everything he believes in . . .
