The Economy of Certainty: An Introduction to the Typology ...

The continued importance of “The Economy of Certainty” to the study of Islamic legal theory is a tribute to the precision employed at its inception; the work’s persistent relevance to the research into the al-fiqh makes its publication here more than welcome: it is, to use the language of the al-fiqh, imperative. Originally presented as a doctoral dissertation at Harvard University, “The Economy of Certainty” has retained its position as “essential reading” on many university ...

Full title: The economy of certainty : an introduction to the typology of Islamic legal theory / by Aron Zysow: Main author: Zysow, Aron: Format: Book

Description: The economy of certainty

The economic value of certainty is the maximization of all of your resources throughout your lifetime. The real economic value of Whole Life Insurance is not in the rate of return on the cash value, nor in the ability to borrow at low rates, nor in the estate created for charity or heirs upon death, nor the tax treatment of the policy.
