The "fascinating" #1 international bestseller of a quest across centuries by two intrepid women to reunite the pieces of a powerful, ancient chess set (Los Angeles Times Book Review). A fabulous, bejeweled chess set that belonged to Charlemagne has been buried in a Pyrenees abbey for a thousand years. As the bloody French Revolution rages in Paris,

the nuns dig it up and scatter its pieces across the globe because, when united, the set contains a secret power that could topple civilizations. To keep the set from falling into the wrong hands, two novices, Valentine and Mireille, embark on an adventure that begins in the streets of Paris and leads to Russia, Egypt, Corsica, and into the heart of the Algerian Sahara. Two hundred years later, while on assignment in Algeria, computer expert Catherine Velis finds herself drawn unwillingly into the deadly "Game" still swirling around the legendary chess set—a game that will require her to risk her life and match wits with diabolical forces. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

The quest for a mystical chess service that once belonged to Charlemagne—a venture spanning two centuries and three continents—continues in this long-anticipated sequel to "The Eight."

A female financial whiz plans the perfect bank heist in this "high-tech, high-stakes" thriller from the #1 international bestselling author of *The Eight* (The Washington Post). Verity Banks is the one of the most powerful women in finance, but she still reports to a man. Her boss not only refuses to implement her security plan to safeguard customers' deposits, he also sabotages her shot at becoming director of security at the Federal Reserve. Outraged, Verity decides to take revenge by hitting her boss where it will hurt the most: right in his company's balance sheet. She is about to begin her assault when she hears from the last person she ever expected to see again, Zoltan Tor. A brilliant computer scientist who taught Verity everything she knows, Zoltan will help her if she agrees to an outlandish wager: Which of them can steal \$1 billion, invest it to make \$30 million in three months, and return it before anyone notices? Verity can use a computer; Zoltan will do it the old-fashioned way. To beat Zoltan at his own game, Verity will risk her fortune, her professional reputation—and her life. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

A female scientist races to save the world using prophecies from before Christ's time in this thriller by the New York Times bestselling author of *The Eight*. In the last week of Jesus's life, the Emperor Augustus orders the purge of all prophecies that question his divine power. Thus, in the crater of a dormant volcano, the books of the Sibylline oracle are sealed—lost to the world until the nineteenth century when Clio, a brilliant archaeologist, discovers them. The Sibyl's words remain as potent as ever, having the ability to change the destiny of mankind. But who will be bold enough to harness their power? More than a century after their discovery, some of the secret prophecies fall into the hands of nuclear scientist Ariel Behn when her beloved cousin is assassinated. If Ariel can discover the mystery behind the prophecies, she will be able to prevent a potentially worldwide catastrophe—but in order to do so she must travel to Russia, Vienna, and Paris where too many people are desperate to protect the secrets of these ancient writings. This ebook features an illustrated biography of Katherine Neville including rare images from her life and travels.

When Alexandra arrives her mother is missing and a mysterious group of houseguests have arrived, along with her aunt and the most powerful piece of Charlemagne's service.

From the New York Times bestselling author of *The Physick Book of Deliverance Dane* comes a chilling mystery?Prep meets *The Crucible*. It's senior year at St. Joan's Academy, and school is a pressure cooker. College applications, the battle for valedictorian, deciphering boys' texts: Through it all, Colleen Rowley and her friends are expected to keep it together. Until they can't. First it's the school's queen bee, Clara Rutherford, who suddenly falls into uncontrollable tics in the middle of class. Her mystery illness quickly spreads to her closest clique of friends, then more students and symptoms follow: seizures, hair loss, violent coughing fits. St. Joan's buzzes with rumor; rumor blossoms into full-blown panic. Soon the media descends on Danvers, Massachusetts, as everyone scrambles to find something, or someone, to blame. Pollution? Stress? Or are the girls faking? Only Colleen—who's been reading *The Crucible* for extra credit—comes to realize what nobody else has: Danvers was once Salem Village, where another group of girls suffered from a similarly bizarre epidemic three centuries ago. . . . Inspired by true events?from seventeenth-century colonial life to the halls of a modern-day high school?Conversion casts a spell. With her signature wit and passion, New York Times bestselling author Katherine Howe delivers an exciting and suspenseful novel, a chilling mystery that raises the question, what's really happening to the girls at St. Joan's?
