"

REVISED AND UPDATED WITH NEW MATERIAL ON AFTER DARK AND MURAKAMI'S FORTHCOMING WORKS As a young man, Haruki Murakami played records and mixed drinks at his Tokyo Jazz club, Peter Cat, then wrote at the kitchen table until the sun came up. He loves

## Read Book The Forbidden Worlds Of Haruki Murakami Matthew Strecher

As a spokesman for disaffected youth of the post-1960s, Murakami Haruki has become one of the most important voices in contemporary Japanese literature, and he has gained a following in the United States through translations of his works. In *Dances with Sheep*, Matthew Strecher examines Murakami's fiction—and, to a lesser extent, his nonfiction—for its most prevalent structures and themes. Strecher also delves into the paradoxes in Murakami's writings that confront critics and casual readers alike. Murakami writes of "serious" themes yet expresses them in a relatively uncomplicated style that appeals to high school students as well as scholars; and his fictional work appears to celebrate the pastiche of postmodern expression, yet he rejects the effects of the postmodern on contemporary culture as dangerous. Strecher's methodology is both historical and cultural as he utilizes four distinct yet interwoven approaches to analyze Murakami's major works: the writer's "formulaic" structure with serious themes; his play with magical realism; the intense psychological underpinnings of his literary landscape; and his critique of language and its capacity to represent realities, past and present. *Dances with Sheep* links each of these approaches with Murakami's critical focus on the fate of individual identity in contemporary Japan. The result is that the simplicity of the Murakami hero, marked by lethargy and nostalgia, emerges as emblematic of contemporary humankind, bereft of identity, direction, and meaning. Murakami's fiction is reconstructed in *Dances with Sheep* as a warning against the dehumanizing effects of late-model capitalism, the homogenization of the

## Read Book The Forbidden Worlds Of Haruki Murakami Matthew Strecher

marketplace, and the elimination of effective counterculture in Japan.

This is an excellent guide to Haruki Murakami's extraordinary novel. It features a biography of the author (including an interview), a full-length analysis of the novel, and a great deal more. If you're studying this novel, reading it for your book club, or if you simply want to know more about it, you'll find this guide informative and helpful. This is part of a new series of guides to contemporary novels. The aim of the series is to give readers accessible and informative introductions to some of the most popular, most acclaimed and most influential novels of recent years - from 'The Remains of the Day' to 'White Teeth'. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question.

Dance Dance Dance—a follow-up to *A Wild Sheep Chase*—is a tense, poignant, and often hilarious ride through Murakami's Japan, a place where everything that is not up for sale is up for grabs. As Murakami's nameless protagonist searches for a mysteriously vanished girlfriend, he is plunged into a wind tunnel of sexual violence and metaphysical dread. In this propulsive novel, featuring a shabby but oracular Sheep Man, one of the most idiosyncratically brilliant writers at work today fuses together science fiction, the hardboiled thriller, and white-hot satire.

Kafka on the Shore displays one of the world's great storytellers at the peak of his

## Read Book The Forbidden Worlds Of Haruki Murakami Matthew Strecher

powers. Here we meet a teenage boy, Kafka Tamura, who is on the run, and Nakata, an aging simpleton who is drawn to Kafka for reasons that he cannot fathom. As their paths converge, acclaimed author Haruki Murakami enfolds readers in a world where cats talk, fish fall from the sky, and spirits slip out of their bodies to make love or commit murder, in what is a truly remarkable journey.

This book is a timely and expansive volume on Murakami Haruki, arguably Japan's most high profile contemporary writer. With contributions from prominent Murakami scholars, this book approaches the works of Murakami Haruki through interdisciplinary perspectives, discussing their significance and value through the lenses of history; geography; politics; gender and sexuality; translation; literary influence and circulation. Chapters together provide a multi-faceted assessment on Murakami's literary oeuvre in the last four decades, vouching for its continuous importance in understanding the world and Japan in contemporary times. The book also features exclusive material that includes the cultural critic Katō Norihiro's final work on Murakami - his chapter here one of the few works ever translated into English - to interviews with Murakami and discussions from his translators and editors, shedding light not only on Murakami's work as literature but as products of cross-cultural exchanges. *Murakami Haruki and Our Years of Pilgrimage* will prove a valuable resource for students and scholars of Japanese studies, comparative and world literature, cultural studies, and beyond.

WINNER OF THE 2013 PULITZER PRIZE FOR BIOGRAPHY General Alex Dumas is a man almost unknown today, yet his story is strikingly familiar—because his son, the novelist Alexandre Dumas, used his larger-than-life feats as inspiration for such classics as *The Count of Monte Cristo* and *The Three Musketeers*. But, hidden behind General Dumas's swashbuckling adventures was an even more incredible secret: he was the son of a black slave—who rose higher in the white world than any man of his race would before our own time. Born in Saint-Domingue (now Haiti), Alex Dumas made his way to Paris, where he rose to command armies at the height of the Revolution—until he met an implacable enemy he could not defeat. *The Black Count* is simultaneously a riveting adventure story, a lushly textured evocation of 18th-century France, and a window into the modern world's first multi-racial society. *TIME* magazine called *The Black Count* "one of those quintessentially human stories of strength and courage that sheds light on the historical moment that made it possible." But it is also a heartbreaking story of the enduring bonds of love between a father and son.

Set at the time of the catastrophic 1995 Kobe earthquake, the mesmerizing stories in *After the Quake* are as haunting as dreams and as potent as oracles. An electronics salesman who has been deserted by his wife agrees to deliver an enigmatic package— and is rewarded with a glimpse of his true nature. A man who views himself as the son of God pursues a stranger who may be his human father. A mild-mannered collection agent receives a visit from a giant talking frog who

## Read Book The Forbidden Worlds Of Haruki Murakami Matthew Strecher

enlists his help in saving Tokyo from destruction. The six stories in this collection come from the deep and mysterious place where the human meets the inhuman—and are further proof that Murakami is one of the most visionary writers at work today.
