The breathtaking new adventure starring Ben Hope A lost, aimless and hard-drinking Ben Hope has wandered back to his old haunt in Ireland. The ex-SAS soldier is searching for peace, but trouble soon appears when Kirsten Hall, a young journalist, is brutally murdered right in front of him. Unable to prevent it, Ben is driven by guilt to hunt down the killers. All he has to go on is a handful of clues from Kirsten's research -- but how can the journals of Lady Stamford, the wife of an English lord during the time of the Irish Great Famine, have put Kirsten in mortal danger? Ben's quest for the truth leads him across the world and finally to Oklahoma, USA, where a deadly secret awaits. What connects the journals, a wealthy American politician and an intrigue surrounding the Irish famine? What Ben uncovers is a shocking historical conspiracy linked to the deaths of some two million people: a veritable holocaust that time has all but forgotten. Those who are still profiting from the lies and corruption of the time, and who are ready to kill anyone to protect their secret, are about to pay . . .

AN ADRENALINE-FUELLED THRILLER FROM THE #1 BESTSELLING AUTHOR 'Deadly conspiracies, bone-crunching action and a tormented hero with a heart . . . packs a real punch' Andy McDermott

In his highly readable, educational and inspiring memoir, Holocaust Survivor Ben Lesser's warm, grandfatherly tone invites the reader to do more than just visit a time when the world went mad. He also shows how this madness came to be--and the lessons that the world still needs to learn. In this true story, the reader will see how an ordinary human being--an innocent child--not only survived the Nazi Nightmare, but achieved the American Dream.
