Today, I'm excited to share that Cisco is announcing the global release of our expanded Business Critical Services lifecycle services portfolio. In addition to the Essentials and Advantage tiers, released earlier this year to support mid-market and commercial customers, we are announcing a third tier, Premier, targeted for large enterprise, public sector, and service provider customers.

Increased demand for soft skills such as communication and critical thinking in the industry will become more prevalent. Although the future looks bright for the industry as by 2020, the number of job profiles for all US business analysts is set to increase from 364,000 openings to 2,720,000 as indicated by IBM.
