The Goal Eliyahu Goldratt

The story of Alex's fight to save his plant is more than compulsive reading. It contains a serious message for all managers in industry and explains the ideas, which underline the Theory of Constraints (TOC), developed by Eli Goldratt. One of Eli Goldratt s convictions was that the goal of an individual or an organization should not be defined in absolute terms. A good definition of a goal is one that sets us on a path of ongoing improvement. Pursuing such a goal necessitates more than one ...
