The Great Controversy Early Sda

In Seventh-day
Adventist theology,

Download Free The Great

the Great Controversy theme refers to the cosmic battle between Jesus Christ and Satan, also played out on earth. Ellen G. White, a co-founder of the Seventh-day Adventist Church, delineates the theme in her book *The Great Controversy*, first published in 1858.

The concept, or

metanarrative, derives from many visions the author reported to have received, as well as from scriptural references. Adventist theology sees the concept as important in that it provides a

human race has been

privilege. By the plan

of redemption,

however, a way has

been opened whereby

the inhabitants of the

heaven. God has

communicated with

men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants.

“Holy men of God spake as they were moved by the Holy Ghost.” 2 Peter 1:21.

During the first twenty-five hundred years of human history, there was no written revelation. Those who

Download Free The Great

had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book.

Download Free The Great

This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its

different books it presents the characteristics of the several writers. The truths revealed are all “given by inspiration of God” (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His

servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of

divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it

was of Christ, that
“the Word was made
flesh, and dwelt
among us.” John
1:14. Written in
different ages, by men
who differed widely in
rank and occupation,
and in mental and
spiritual endowments,
the books of the Bible
present a wide
contrast in style, as
well as a diversity in

the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there

Download Free The Great

may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied

aspects. One writer is more strongly impressed with one phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy

Download Free The Great

Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of

Download Free The Great

life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to

earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.
